While the Politicians Politic...
CHERRY'S CONTINUE TO OFFER VALUES
It is most interesting to watch our politicians these days . . . with their hand-shaking . . . buying "cokes" . . . passing around the cigars. It is expected of a politician so he wouldn't dare disappoint his followers. To the women it is also interesting to shop where the crowds do most of their buying and saving . . . AT CHERRY'S. Just like the politician is expected to do certain things . . . CHERRY'S are also expected to offer the most outstanding values of any store on the Eastern Shore . . . rather a big assignment but they do the job well.
