Dear Sirs:-

In re Certificate #913387 -

I am writing you as attorney for Edward Shipley, Committee of Joseph Shipley, Lunatic.

As I infer from the papers brought to me by Edward Shipley, the pension due Joseph Shipley has not been paid since Sept. 4, 1916 because the said Edward Shipley had failed to file his account with the Circuit Court for Howard County, the Court having jurisdiction over this matter.

The account has been filed and ratified and all things have been done that are necessary under the law.

I enclose the Certificates of the Clerk of the Court; if there is anything else necessary, will you please notify me.

Yours very Resp'y.
