Proceedings to be recorded. The Vestry desire the Rector to give notice next Sunday week that there will be a farther collection made on Whitsun-monday next, to effect the necessary repairs & for other parochial purposes - The Vestry nominate Capt. James Disney their representative in the ensuing convention of the Protestant Episcopal Church, which is to meet in Whitsun week at Talbot Court-house on the eastern Shore in this State. The Revd. Dr. Claggett having informed a former Vestry that there was a probability that the convention would shortly take into their consideration the expediency of having a Discipline established in our Church, & in that case, that it would be necessary for the Vestries of the several Parishes in this State to register the Names of their Communicants: & the Vestry of this Parish having then approved of the measure & directed the Rector to make out such List, the List being now returned to this Vestry, the Vestry order the Register to record the same.
