FOR PUBLISHING BY SUBSCRIPTION,
That rare and celebrated work,

The Life of Lorenzo De' Medici,

CALLED THE MAGNIFICENT.
By WILLIAM ROSCOE.
CONDITIONS

The work will be elegantly printed on a handſome type and ſuperfine paper, and will be compriſed in three octavo volumes, of about 450 pages each.

It ſhall be embellished with ſeventeen handſome engravings, one of which is an elegant likeneſs of Lorenzo.

The price to ſubſcribers will be two dollars and twenty-five cents a volume, in boards, to be paid on delivery. The London octavo edition ſells for twelve dollars, and can ſcarcely be procured in this country.

The firſt volume will be put to preſs as ſoon as two hundred and fifty ſubſcribers are obtained, and will be finiſhed with all poſſible diſpatch. The other volumes will be finiſhed at intervals of one month.

Subſcriptions will be received at the office of the Gazette of the United States, and at the principal book-ſtores in the United States.

N. B. This edition will be printed from the fourth and laſt London edition, corrected.

Character of the work, extracted from the Purſuits of Literature, dialogue 3, line 257, and the note.

"But hark what ſolemn ſtrains from Arno's vales
Breathe raptures wafted on the Tuſcan gales!
Lorenzo rears again his awful head,
And feels his ancient glories round him ſpread;
The Muſes ſtarting from their trance revive,
And at their Roſcoe's bidding wake and live."

Note. "See 'The life of Lorenzo de' Medici, called the Magnificent, by William Roſcoe,' I cannot but congratulate the public upon this great and important addition to claſſical hiſtory, which I regard as a *phenomenon in literature in every point of view.* For my own part, *I have not terms ſufficient to expreſs my admiration of this author's genius and erudition,* or my gratitude for the amuſement and information I have received. I ſhall not violate the dignity of the work by ſlight objections to ſome modes of expreſſion, or to a few words, or to ſome *occaſional ſentiments* in the Hiſtorian *of a Republic.* But I recommend it to our country as a work of unqueſtionable genius and of uncommon merit. It adds the name of Roſcoe to the very firſt rank of Hiſtorians."
