SATURDAY, JANUARY 11, 1908.

All hats off to Maryland's REAL Democratic Governor who was inaugurated last Wednesday!

We are sending several hundred extra copies of THE NEWS to the taxpayers of Queen Anne's county so they can inform themselves as to the present financial condition of the county and also see the list of delinquent taxpayers. If THE NEWS looks good to you who are not a subscriber, send along your name and 50 cents for a year's subscription.

On our local page will be found a statement of the financial condition of Queen Anne's county, as of January 1, 1908.

The county for the past two years has been under the administration of the Independent Citizens Party—the analysis guaranteed under the Pure Food law—and their long card for a re-election was the wise and economical management of the county's affairs, and to prove good they reduced the tax rate from 90 cents to 80 cents on the $100.

The present board of Commissioners deemed it but just to themselves, and the party they represent, to make a statement to the public of the condition of the county's finances as they found them. A careful perusal of the statement will prove that the county was bordering on the Wall-street system.

Here's the grit: When the last Board of Commissioners fixed the rate at 80 cents on the $100, they created a levy of $75,608.24 from the taxable basis of the county. Of this amount they spent in the first seven months of the present fiscal year $32,687.53, exceeding their levy for road work in the first, second, third and seventh districts; exceeding the levy for counsel to the county commissioners by $3 40, for lumber and bridges $465.05; for tile and freight $32.67; for bonds and interest $25; for elections $1241.23, and expended for general miscellaneous expenses $768.84, whereas they made no levy for this purpose. Besides, they have levied for the trustees of the poor $3,000; to the school fund $25,000; to the Hospital for the Insane $1,500; for Treasurer's salary $900; for Road Commissioner's salary $250; for County Commissioners' salary $1,800; for State's Attorney's salary $500; for incorporated towns $200; for metal cases for Clerk's office $485; for salary to Clerk of the County Commissioners $400; all of which the present Board of Commissioners has no jurisdiction over; their only duty in the matter being to pass the accounts when presented. When this amount is added to that which has already been spent it makes a total of $66,722.53, out of a levy of $75,608.24, which leaves but a small balance of $8,885.71 for the present Board of Commissioners to pay the indebtedness of the county from January 1 to June 1. And from this amount must be deducted several large outstanding accounts which has not yet been presented, and the insolvent taxes allowed.

Of course, there was on hand at the beginning of the present fiscal year $11,893.88 in cash, and there will be collected during the year probably $2855.58 from miscellaneous sources which will make a total of $23,635.17 that the present Board of Commissioners will have control of for county purposes for the remainder of the present fiscal year. While this amount will probably be sufficient to pay the expenses of the county to June 1, 1908, yet it can readily be seen that there can be left very little cash on hand at that time, and, as the taxes for this year are not collected before November and December, it is shown at a glance that the probabilities are very strong that the county will have no available assets before the 1908 taxes are collected.

No good Democrat would for one moment think that the late administration was extravagant, but it look as though they were going a little "bad gaited" when they made the 80-cent rate. All ye taxpayers are interested so read the statement and draw your own conclusions.

It Does the Business.

Mr. E. E. Chamberlain, of Clinton, Maine, says of Bucklen's Arnica Salve. "It does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c at J. S. Denny and W. E. Collier.

If It's Neuralgia

and those sharp, shooting, agonizing pains drive you almost crazy, take Dr. Miles' Anti-Pain Pills, and get relief. They drive out the pain by their soothing effect upon the nerves. When taken as directed they are harmless, and leave no bad after-effects. That's the reason they are so popular with all who use them. Your druggist can tell you what others in your locality think of them.

"I do positively think that Dr. Miles' Anti-Pain Pills are the best medicine ever put upon the market. I find them so restful and soothing, and without any bad after-effects. I have suffered with neuralgia so that my system would just ache and quiver, and I cannot take opiates; but I can take these tablets, and they always relieve me. No one that suffers with neuralgia need fear to take them as I know they will not form a habit, for if there was any opiate in them I could not take them. Just one in the morning when I feel bad, and I can do my work all day."
MRS. W. H. BURKETT, Macon, Ga.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money. 25 doses, 25 cents. Never sold in bulk.
