DENTON, MARYLAND.

THURSDAY, NOVEMBER 6, 1902.

THE returns from the election show a light vote, but a re-endorsement of Republican policies in all parts of the country. The generally satisfactory state of business affairs was favorable to Republican succes, as the people have not yet forgotten their experience under Cleveland. Business transactions are now active upon a settled basis which the people do not propose to have disturbed.

In Maryland we lose two Representatives but the total vote shows the state Regublican by about 8,000 majority. On the Western Shore the Democrats put up a very stubborn fight and the defeat of three of their candidates is a severe blow The new ballot law was intended and does operate against the Republicans to a certain extent, but the ticket this fall was smoll and very plam.

The indications are that in Delaware the Republicans have secured a majority in the legislature and that the vacancy in the United States Senate will be filled as soon as the legislature meets. It is expected Addicks will control a sufficient number to elect himself.

The President will be well supported in the next Congress and with a careful and consciencious adjustment of the laws to suit new conditions we will continue to prosper and the people live in happiness

THE President has issued his Thanksgiving proclamation. There is no one that can more sincerely give thanks for blessings during the past year than the farmers of the country. Their crops have been unusually good and have sold at fair prices. In every departmant of the industry prosperity reigns.

Mr. Bryan continues to tell what he would have done if he had been elected President. The Commoner is a weekly paper, and these thoughts occur to its editor at least once a week sometimes twice. In the latter event it becomes neccesary to talk as well as write.

THE Commissioners to arbitrate the coal strike are spending their time at present investigating conditions in the mines for the purpose of becoming familiar with the exact conditions that prevail.

AFTER all their attempts to find an issue, the Democrats were compelled to fall back on free trade with the usual results.

How about the political prophet? Perhaps he will have better luck next time.

PRESIDENT ROOSEVELT'S offer of lemonade to his friends kills his chances in Kentucky.

—First Lieut. W. E. Jacobs, of the practice bark Chase, hasbeen detailed for duty on the new revenue cutter Tuscarora. The vessel was built in Richmond and especially designed for duty on the Great Lakes. Mr. Jacobs is a son of Mrs. E. V. E. Jacobs, of East New Market.

REPUBLICANS SWEEP THE COUNTRY.

The Next House Will Be Republican By 36 Majority.

The returns as published yesterday morning in reliable city papers show that the Bepublicans took advantage of the Junelike weather of Tuesday to roll up good majorities in all parts of the country. Maryland and Delaware show up in the Republican column, and four out of six of the Republican Congressmen in Maryland are elected. Jackson, Republican, in this district carried six out of the nine counties against Ellegood, Anti-Bribery Democrat.

In Caroline, Jackson get a majority of 93, and from a majority of 158 Democratic last year the county swings into the Republican column by a majority of nearly 100. The following is the vote:

District	Ellegood	Jackson	McAllen	Ellegood	Jackson
1	152	143	15	9	
2	228	185	44	43	
3 1p	118	105	8	13

Third District.—Frank C. Wachter, Rep., re-elected. 317 majority.

Fourth District.—Major James W. Denny, Dem., 352 majority.

Fifth District.—Sydney E. Mudd, Rep., re-elected, over 4,000 majority.

Sixth District.—George A. Pearre, Rep., re-elected, over 2,200 majority.

Seven only, of the 23 counties in the State, went Democratic on Tuesday. These are Baltimore county, Cecil, Harford, Howard, Montgomery, Queen Anne's and Worcester. Baltimore city gives a Republican majority of 872.

The Republicans sweep Pennsylvania and gain two Representatives. Delaware, Massachusetts, Iowa, California, Kansas, Illinois, Connecticut, Michigan, New Hampshire, Minnesota, Wisconsin, Indiana, New Jersey and New York have already been reported Republican, and from all indications the Republicans will hold almost every State. The Baltimore American gives the line up in the next House as 212 Republicans and 174 Democrats.

Most cough cures contain opiates; hence they relieve but do not attempt to cure. Ramon's English Cough Syrup strikes at the root of throat, chest and lung troubles and relieves by curing. 26c. R. J. Colston, Denton; J. D Davis, Ridgely.

—A new line of steamers is to be put on the Worton and Fairlee river route. M. M. Rasin has purchased the Bertie E. Tull from Baltimore parties and will run her in connection with several sail vessels out of these rivers.

No one ought to ride or work a horse with a sore back or shoulder when a few days' rest and a few applications of Ramon's Nerve & Bone Oil will speedily heal the wound Large bottles 25c. R. J. Colston Denton; J. D. Davis, Ridgely.

—As a result of drinking a mouthful of vitriol in mistake for water Joseph Smith, employed in the Knowles woolen mills, at New Castle, is in a serious condition.

People who use "liver pills" ought to try the well-known Ramon's Liver Pills & Tonic Pellets. No handful for a dose—no constant dosing—no debilitating, weakening effect. They are far superior to the ordinary pill. Box of 25 doses 25c. R. J. Colston, Denton; J. D. Davis, Ridgely.

—A colored woman was severely bruised Saturday night by falling form the carousal at Dover. She was hurled against Howard Cullen, who was knocked down and had one of his legs broken.

There are a great many blood medicines on the market now—some worthless some good, but none superior to Ramon's Iron Tonic. Don't experiment, but get Ramon's and you are assured of beneficial, lasting results. Large bottles $1.00. R. J. Colston, Denton; J. D. Davis, Ridgely.

—Jackson Poor, a 13-year old boy, pleaded guilty in Court, at Dover, to robbing Johnson S. Harrington's store, at Harrington, and was sent to the Ferris Industrial School to be educated and taught a trade.

The Holston Methodist Orphanage, Greeneville, Tenn., has over one hundred children, from one to twelve years of age. Mrs. E. E. Wiley, the matron, says: "I find Ramon's English Cough Syrup a great boon to children when attacked with coughs, colds, hoarseness and the like." 25c. R. J. Colston, Denton; J. D. Davis, Ridgely.

—Mrs. Charles Billingslea, a daughter of Rev. W. R. Graham, left Easton Friday for San Francisco, where she will sail next week for the Philippine Islands on a United States Government transport, where she will join her husband, Captain Billingslea. The transport will take out a large party of ladies who are wives of army officers, and the date of sailing as telegraphed from Washington allowed Mrs. Billingslea only one day in which to prepare for her long journey.—Easton Gazette.

People who get hurt occasionally (and all do) ought to keep a bottle of Ramon's Nerve & Bone Oil ready for instant use. There is nothing like it for sprains, bruises, burns, cuts, etc. There are many so-called Nerve & Bone Oils, but only one original genuine Ramon's with name Brown Manufacturing Co. on every bottle. Price 25 cts. R. J. Colston, Denton; J. D. Davis, Ridgely.
