APOLLO'S FOUNT.

From the Trenton True American.

EMBARGO & NAVY.

THE TORIES dislike the EMBARGO, because
It keeps all our ships, crews, and cargoes at home;
Which they'd rather should gorge the insatiable maws
Of hungry sea-robbers that round the world roam.
The WHIGS answer NO—what we've got let us keep,
Till right is respected and commerce is free;
Put our ships afloat now, they are gone at a sweep;
They are safer in port than they are at sea.
Then give us a Navy—The TORIES rejoin—
Our rights to assert and our trade to protect:
All the evils we feel and at which we repine,
Can fairly be traced to the Navy's neglect.
The WHIGS can retort—and have truth of their side—
A Navy can serve us no purpose at all;
Has not the experiment often been tried,
And do not the large navies swallow the small?
The Navies of *Holland*, of *France*, and of *Spain*,
Were larger than *we* could expect to equip;
Yet, *united*, their fleets could no footing maintain,
But, disgrac'd and defeated, abandon'd the deep.
The Navy of *Denmark*, respectably large,
In her harbors securely and peaceably lay;
Yet from Ships of the Line to a Custom-House barge,
To Britain it falls, "at one fell swoop," a prey.
Just so with *our* Navy it doubtless had been,
Had vanity led us a navy to build,
'Twould have heightened the triumphs of Ocean's proud Queen;
And blasted the laurels we won in the field.
A cheaper and safer defence, is, by far,
To exclude all their goods, all our products retain;
This will punish *them* worse than a seven years war,
Yet will injure *us* less than a single campaign.

To be Let,

For one, two, or three years, as may be agreed on by the parties,

THAT well-improved fertile FARM, whereon William Frazier, deceased, lately lived, lying in Caroline county.

This plantation possesses many advantages. It is beautifully situated upon Choptank River, has good convenient landings for the delivery of its products. Is partly surrounded by fine angle and seine fisheries—It has excellent, extensive pasturage for all kinds and quantity of stock, abounds with a variety of fruit; has two large apple orchards, with outhouses sufficient to secure a large crop; and when well cultivated, it is capable of producing annually from 1000 to 1500 bushels of wheat, four or five hundred barrels of corn, and a good crop of tobacco, oats, flax, &c.

Mrs. Frazier reserves the dwelling-house, carriage-house, garden, and the two lots laying on each side of the garden, as they are now enclosed, with sufficient apples and other fruits for her family's use, and pasturage for her small stock. This farm being large, will require a tenant with a strong force: and it is very desirable that he produce strong testimonials of his honesty, industry, sobriety, and neighbourly disposition.

Those that incline to take this farm, may know the terms by applying to Col. William Richardson, or Henry Johnson.
