DIAMOND STATE TELEPHONE,

DENTON, MARYLAND,

THURSDAY MORNING, MAR. 12, 1903.

WITH the special session of the Senate, Senator Allison of Iowa enters upon his sixth term in that body.

THE Republican Congress honestly redeemed its campaign pledges—with the exception of statehood —in all instances except those where Democratic filibustering made it impossible.

JUDGE PARKER reckons Mr. Bryan's support of great value; Mr. Hill has a contrary opinion and advocates a sound money fight on Bryan in Nebraska and throughout the South and West.

"AND now where is your Republican busting of the trusts?" shouts a Chicago paper. It might be remarked here that the Republican party never expressed any intention of undertaking trust busting.

ONE of the interesting incidents of last Congress was a memorial from the Colorado legislature for an appropriation of $20,000,000 for constructing a highway across the American continent. A grand highway from ocean to ocean constructed by the people, would be a long step forward in the direction of a national system of good roads such as most of the European countries have to-day.

DELAWARE'S NEW SENATORS.

J. Frank Allee was born in 1857 in Dover, Del. His father and grandfather were born in the same town. He is a descendant of the French Huguenot family which settled in Kent county in 1700 and who signed their name "D'Allee." He was educated in the public schools and has since devoted much time to study, having a large library. He first appeared in politics during the Higgins campaign of 1888. In 1892 he succeeded Judge Pennewill as member of the Republican State Central Committee, of which General James H. Wilson was chairman. Upon the organization of the Union Republican party he became chairman of the State Committee. In the campaign of 1896 he was elected State Senator by a plurality of 99, but the Democratic inspectors of Kent county courts refused to return his election and his opponent was seated.

In 1898 he was elected and seated as a State Senator from the Third district of Kent county, to which position he was re-elected last November. He succeeded J. Edward Addicks as the president of the Bay State Gas Company of Delaware. He is also president of the Staten Island Brick Company and is interested in a number of other enterprises with which Mr. Addicks is connected. He is married and has one son, now attending college. "I have only to say," said Senator Allee, "that I sincerely regret that I have to fill the place that belongs to Mr. Addicks."

Dr. Louis Heisler Ball was born in 1859 at Milltown, New Castle county, where he now resides. He was educated at Delaware College and afterward at Jefferson Medical College, Philadelphia. From the time he was 21 years old he took a keen interest in politics and soon became chairman of the New Castle County Committee. His vigorous work on the Regular Republican side brought its reward in his nomination for State Treasurer in 1898 on a compromise ticket. In 1900 he was renominated State Treasurer by the Regulars. On the harmony ticket he was named for Congress, and elected for the term which expired last Wednesday. He is married but has no children.

An Old Relic.

Among the old relics found among the personal effects of the late Benjamin F. Blackiston, was a copy of the Ulster County Gazette, published at Kingston, Ulster county, N. Y., dated January 4, 1800. Herbert Blackiston, a son of the deceased, values the paper very highly and has refused an offer of $15 for it. The paper contains an account of the funeral of George Washington and the comments of the European newspapers upon the death of "The Father of His Country." The advertisements in the paper are very unique, one being a half interest in a saw mill offered for sale; also a negro woman. Notwithstanding the fact that the paper is over 100 years old it is fairly well preserved, although it is beginning to show the effects of the ravages of time.

More Riots.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nervine and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by R. J. Colston, Druggist, Denton, Md.

A Thousand Dollars Thrown Away.

Mr. W. W. Baker, of Plainview, Neb., writes: "My wife had lung trouble for over fifteen years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I lost all hope, when a friend suggested trying Foley's Honey and Tar, which I did; and thanks be to this great remedy, it saved her life. She is stronger and enjoys better health than she has ever known in ten years. We shall never be without Foley's Honey and Tar and would ask those afflicted to try it." Sold by Preston Pharmacy, Preston; C. H. Redden, Denton.

Public Road Legislation.

The Committee on Highways, of the Delaware Legislature, has reported favorably on one of four bills introduced in the Legislature for the improvement of the system of working the public roads.

The bill provides that the Governor shall appoint annually three competent persons who shall serve as the "Delaware Highway Commissioners." They shall be so appointed that the term of one shall expire in one year, one member in two years and one member in three years, from the first day of January, 1903. After that the term of office of the commissioners shall last for three years. They shall each receive as compensation the sum of $1,200 and shall be required to give a bond of $5,000. The main office shall be in Dover with sub-offices in Wilmington and Georgetown.

GOLDSBORO, N. C., Aug. 25, 1902.

Gentlemen—Some six years ago I began to have sciatica, and also a chronic case of muscular rheumatism. At times I could not work at all (my business being baggage master on Southern R. R.). For days and weeks at a time I could not work. My suffering was intense. Physicians treated me, without permanent relief, however. Tried a number of advertised remedies without permanent benefit. Finally I tried "RHEUMACIDE." It did the work, and I have had excellent health for three years. I can cheerfully say that all rheumatics should use "RHEUMACIDE," for it is by far the best remedy.

ORDER OF PUBLICATION

Hackett et. al.
vs.
Hackett et. al.

In the Circuit Court for Caroline County. In Equity. No. 1106 Chancery.

The object of the petition in the above case is to have a commission of five persons appointed to assign and lay off the dower interest of Margaret B. Hackett, widow, in the lands of Thomas Hackett, late of Caroline county, deceased.

The petition states that a decree has been passed for the sale of the lands of Thomas Hackett, late of Caroline county, deceased, for the purpose of partition among the parties entitled according to their interest. That the parties in interest hold said lands by descent from their father, Thomas Hackett, subject to the dower interest of Margaret B. Hackett, widow. That the said Margaret B. Hackett is non compos mentis and cannot consent or refuse to consent to the sale of her dower interest. That said lands cannot be sold subject to said dower interest without great loss and injury to all the parties interested and that it would be advantageous to all said parties to have assigned and laid off before proceeding to a sale thereof. That said Margaret B. Hackett, widow, does not reside in this State but resides in the City of Philadelphia, in the State of Pennsylvania. That this Court may appoint five commissioners to assign and lay off the dower interest of said Margaret B. Hackett, widow, in the lands of said Thomas Hackett, deceased.

It is thereupon this 4th day of February, 1903, by the Circuit Court for Caroline county, ordered that the petitioners by causing a copy of this order with the object and substance of the petition to be inserted in a newspaper published in Caroline county, once a week for four successive weeks before the 7th day of March, 1903, give notice to the said Margaret B. Hackett, to appear in this Court in person or by solicitor on or before the 23d day of March, in the year 1903, to show cause, if any there be, why a commission of five persons should not be appointed to assign and lay off her dower as prayed.
