A STRONG TICKET.

The candidates named at the Republican convention on Tuesday compose one of the strongest tickets that has been put in the field by the party for a number of years, in fact there are numerous opinions that it has never been excelled. The nominees are among the most progressive and substantial business men of the county, whose lives and business qualifications have won for them the esteem and confidence of friends and neighbors regardless of party. Several of them have been honored with public office, and their conscientious discharge of the duties demanded of them has had no little weight with the party in again bringing them before the public. They come before the people clean and unpledged to any ring or boss. The delegates who nominated them were not elected in the primaries by the use of money, and the nominees are the unanimous choice of the intelligent and progressive citizenship that composes the Republican party of Caroline county. No boss suggested the gentlemen named as representatives in the Legislature; no clique or individual has a collar around their necks. If elected they go as the the representatives of the people, not as delegates to vote for their boss or as he shall dictate. No extra session disfranchisement laws will receive their votes, but rather some measure for the repeal of the outrages that have been thrust upon the people by conscienceless Democratic politicians posing as statesmen. The men upon the Republican ticket, the manner of their selection, their freedom from boss rule and the principles which they represent, should appeal to ever lover of decency and fairness in politics regardless of party.

The short time between the closing of the convention and the issuing of this paper prevents giving sketches of the candidates today. This will be taken up in due time, however.

WILLIAMS AND WARFIELD.

In speaking of the candidacy of the men who will probably be the Democratic and Republican nominees for Governor of the State the Baltimore county Union says: "Mr. Edwin Warfield appeared on the fair grounds at Timonium as the man already agreed upon by the Democratic bosses as their candidate for Governor. Some surprise was expressed that Mr. Stevenson A Williams, who has been prominently named for this honor by the Republicans, was not present also. The explanation is easy. Mr. Williams occupies a leading place as the possible Republican nominee for Governor. He is not pushing himself for this high office and going about with his pocket filled with buttons to be distributed by the handful to gaping crowds. He is willing to wait until the State convention meets and then—if the delegates from every county there assembled express their prefference for him as the standard-bearer of the Republican party not a courtier of four or five bosses or managers—he will accept the responsibility and go before the people as their candidate. Mr. Williams is not a "button" man. He is in the hands of his party and his well known modesty would not permit him to appear at a big county fair in order to parade himself as the "only thing on earth" fit to be Governor of Maryland. If the tide goes the Williams way in the State convention—which now appears likely—and he is nominated for Governor, he will be elected and buttons will have cut no figure in his triumph."

AT the Republican primary election in Baltimore on Thursday what is known as the "organization" made almost a clean sweep. Its friends carried nineteen of the twenty-four wards and secured complete control of three of the four legislative districts. This is a victory for Senator McComas and his friends. The small vote polled, however, shows that the Republicans generally, took little interest in the contest.

LIEUTENANT PEARY is arranging to make another dash for the North Pole. He will fit up a steamer with strong engines in order to push as far through the ice as possible, and will use dogs as motive power in his dash to the pole. He will be accompanied by only a small number of men in order to move as rapidly as possible. With his experience he should be able to reach the pole if such a thing is possible.

FOLEY'S HONEY AND TAR
Cures Colds; Prevents Pneumonia.

YOUR KIDNEYS ARE THEY WELL?
Unless they are, good health is impossible.
Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.
Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.
FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.
If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.
Some Pronounced Incurable
Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."
Had Lumbago and Kidney Trouble
Edward Huss, a well known business man of Salisbury, Pa., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
Two Sizes, 50 Cents and $1.00.
