Patent Horizontal Wind-Mill.

THE subscriber offers to the gentlemen farmers and others of Maryland, and the other states, an invention, which for utility has not been exceeded by any piece of mechanism which this or perhaps the last century can boast of. It is a peculiarly, though simply, constructed *horizontal* Wind-Mill, adapted to the grinding of all sorts of grain, and at the same time threshing out wheat and rice, fanning them and pounding the latter, powdering plaster of Paris, cutting tobacco, &c. &c. Its aptitude to all those various and useful purposes, will be more easily and justly estimated by a view of the machine itself, than from any description that can be given here.—A model of this wind-mill can be viewed on Federal Hill, where it is kept for the convenience of shewing it in operation, by applying to Mr. Marche, No. 4, south Gay-street, by whom also the terms will be made known for the model only to erect a mill by, or for the patent right for a whole state; or by
JOHN BAPTISTE AVEILHE,
The Inventor, Havre-de-Grace.

In the matter of Thomas Fisher,

A BANKRUPT.
WHEREAS the commissioners appointed in conformity to the statute of the United States, for establishing an uniform rule of bankruptcy, in the above case, have certified to the judge of Maryland district, that the said Thomas Fisher hath made a full discovery of his estate and effects, and in all things conformed himself to the directions of the said statute; and that they have no reason to doubt of the truth of such discovery, or that the same was not a full discovery of his estate and effects; and two-thirds in number and value of the creditors of the said Thomas Fisher, who are creditors for not less than fifty dollars respectively, and who have duly proved their debts under the said commission, having signed the said certificate and testified their assent to the allowance thereof—Notice is hereby given, that any of the creditors of the said bankrupt will be heard, if they shall think fit, on Tuesday the 6th day of September next, at 10 o'clock in the forenoon of the same day, at the court house in the city of Baltimore, against the allowance of the said certificate; and that the said certificate will on that day be allowed, unless cause to the contrary be shewn by the creditors aforesaid—Provided a copy of this order be published on the Tuesday of each week for twelve successive weeks, in the Baltimore Federal Gazette, or some other newspaper in the city of Baltimore, before the said 6th day of September.

Town Clock Lottery.

THE MANAGERS of the City Clock and Alarm Bell Lottery have deemed it adviseable to postpone the further drawing of said lottery until the *first* Monday in September. It is the servent and honest wish of the managers to prosecute their *trust*, not only in such a manner as to obtain the great object in view, but to afford complete satisfaction to those spirited citizens who have become adventurers to aid in its accomplishment. Influenced by such feelings, they plead the their honor, that an unnecessary delay of a single moment shall not take place. But, as returns, in a few instances, have not been made of some tickets in several parts of the country (particularly the Eastern Shore,) and as under such circumstances, it would in some measure, be putting to *hazard* the interest of said object, to prosecute the further drawing before such returns are made—they therefore, find themselves impelled, by duty, to take this prudential step.
As the proceeds of this lottery is intended to embellish the city, and establish a desirable *public good*, it is hoped that citizens who take a laudable pride in facilitating the means of adding to the *beauty* and *convenience* of Baltimore, will come forward with alacrity and purchase the remaining tickets.

Twenty Dollars Reward.

RAN-AWAY last night, between 9 and 10 o'clock, a black girl named CASSY, about 18 years of age, of handsome features, genteel person and well cloathed. Besides the cloathing she had on, consisting of a lead colored calimanco coat, a dark calico short gown, and a blue checked handkerchief round her head, she took with her, a large bundle, containing 6 short gowns, and 6 petticoats—the most remarkable of which was a frisk of India calico, figured with a small purple vine—she also took two unmade coarse muslin coats.
As she came from Cambridge, about 8 years ago, it is probable she may change her name—pass for a free girl, and attempt to get there again.
All persons are cautioned again taking said girl off or harboring her. For securing her, so that the subscriber gets her again, the above reward and all reasonable charges will be paid.
