Fifty Dollars Reward.

SOME evil diſpoſed perſon or perſons came to the ſeat of the ſubſcriber, about one mile from town, on the Frederick-town road, on Thurſday night, the 8th inſtant, went into the garden, and in the moſt wanton and malignant manner, cut down with a knife, hoe, or other ſharp inſtrument, upwards of one hundred heads of his beſt cabbages, *(leaving them ſtrewed in the walks,)* ſeveral celery beds, and about a dozen of handſome young fruit trees; alſo dug up ſeveral beds of fine cabbage plants, herbs, &c.—and, in order to complete their malignity, ſet open three of the garden gates and drove in the cattle to finiſh the depredations they had begun.

On Saturday evening laſt, the 24th inſtant, the ſame evil diſpoſition was renewed, and much miſchief done, by cutting up cabbages, celery and endive beds, &c.

There are ſtrong reaſons to ſuppoſe, that the perpetrators were *well* acquainted with the place, and that their voice was familiar to two watchful dogs, who, contrary to their uſual cuſtom, were very ſilent on both theſe nights.

The above reward of fifty dollars will be paid to any perſon or perſons, who will diſcover the perpetrator or perpetrators, ſo as he or they may be dealt with according to law.

N. B. The ſuſpected characters were ſeen repeatedly lurking about the place about the time the miſchief was done.

A CARD.

H. O. HEBERT (from Philadelphia) ſolicits the attention of the citizens of Baltimore in general, and invalids in particular, to his "*Air Pump Vapour Bath*," a machine conſtructed on true philoſophical principles, the efficacy of which in gout, rheumatiſm, palſy, contractions and enlargements of joints, withered and enlarged limbs, cutaneous and many other diſeaſes, both chronic and acute, can be teſtified by many reſpectable perſons who have had recourſe to it.

This machine comprehends and combines the application of fomentation and the cupping glaſs, two of the moſt powerful external applications for the removal of diſeaſe, and that on a plan more extenſive than was ever before known.

As many perſons who have never ſeen the apparatus might be deterred from uſing it, either from the reports of prejudiced perſons, or fear, they are reſpectfully aſſured that its application is not attended with either pain or inconvenience—It poſſeſſes all the good effects of warm bathing, without its attendant conſequences, debility and relaxation; on the contrary, it invigorates and ſtrengthens the whole ſyſtem, but particularly the part to which the machine is applied. Perſons deſirous of further information reſpecting the nature and effects of this machine, will pleaſe to apply to the proprietor, at No. 3, Eaſt-ſtreet, near the aſſembly room.

N. B. "The Air Pump Vapour Bath" is particularly adapted for the removal of all obſtructions occaſioned by violent colds, which are the forerunners of conſumptions, &c.

Complaints peculiarly incident to females, which too generally baffle the remedies hitherto applied, and to which they frequently fall victims in the prime of life, are readily and effectually removed by the application of this machine.

A book of ſubſcription, to propoſals for publiſhing

LECTURES ON NATURAL PHILOSOPHY,

Late provoſt of the univerſity of Pennſylvania, and ſenior paſtor of the firſt Preſbyterian congregation in Philadelphia.

It is alſo intended to publiſh, by ſubſcription, a ſelection of his *Sermons*, on the moſt evangelical and inſtructive ſubjects, at the earneſt ſolicitation of a large portion of his ſtated hearers; as alſo, of a number of friends, eminent for their taſte in elegant compoſition and ſound doctrine.

Eulogy is intentionally avoided here. Gentlemen who wiſh to be poſſeſſors of the valuable works of the late Dr. Ewing, are reſpectfully invited to call and examine the propoſals early, as the number of ſubſcribers required is only 400—and to non-ſubſcribers, the price will be conſiderably raiſed.

Patent Horizontal Wind-Mill.

THE ſubſcriber offers to the gentlemen farmers and others of Maryland, and the other ſtates, an invention, which for utility has not been exceeded by any piece of mechaniſm which this or perhaps the laſt century can boaſt of. It is a peculiarly, though ſimply, conſtructed *horizontal* Wind-Mill, adapted to the grinding of all ſorts of grain, and at the ſame time threſhing out wheat and rice, fanning them and pounding the latter, powdering plaſter of Paris, cutting tobacco, &c. &c. Its aptitude to all thoſe various and uſeful purpoſes, will be more caſily and juſtly eſtimated by a view of the machine itſelf, than from any deſcription that can be given here.—A model of this wind-mill can be viewed on Federal Hill, where it is kept for the conveniency of ſhewing it in operation, by applying to Mr. Marche, No. 4, ſouth Gay-ſtreet, by whom alſo the terms will be made known for the model only to erect a mill by, or for the patent right for a whole ſtate; or by

Valuable Lands and Lots

FOR SALE.

I Will Sell, on liberal terms of payment, to accommodate purchaſers, the following Property, bequeathed to me, in truſt with power to ſell, by the late Mr. Thomas Dick, of Bladenſburg, viz.

THE valuable Farm which he had in his own poſſeſſion, and lands adjoining thereto, containing in the whole upwards of 1300 acres. Theſe lands are ſituated to the northward of Bladenſburg, on the Eaſtern Branch of Potowmak river, about three miles diſtant from that town, on a fine level road. From Bladenſburg to the City of Waſhington, by land, the diſtance is four miles, and by water five; and the Eaſtern Branch is navigable for large craft to ſaid town. There is a great abundance of wood on the lands, and they are well watered in every reſpect; have a conſiderable quantity of rich bottom, ſome of which is already in graſs. The improvements on the farm are good, and the whole under good fences. Theſe lands can conveniently be laid off into three parcels, with improvements to each, and will be ſold together or ſeparately.

Part of a tract of Land, called Hills and Dales, lying in Montgomery county, on the north-weſt branch of the Eaſtern Branch of Potomak, about ſix miles from Bladenſburg, and about the ſame diſtance from Waſhington, containing 70¼ acres.

Part of another tract, called Crawford's Adventure, lying to the ſouth-eaſt of Bladenſburg, nearly adjoining the town, and adjoining the lands of the late Richard Henderſon, eſq. containing 160 acres all in wood. And 83½ acres of valuable Marſh and low land, on the ſaid Eaſtern Branch, about half a mile below that town, and adjoining the ſaid lands of the late Mr. Henderſon.

The Houſe and Lot in Bladenſburg, on which the late Mr. Dick reſided, containing about ſix acres; this is one of the beſt ſituations in the town, is generally admired, and commands a very extenſive view. There is a good garden, ice houſe, ſtable, and all other offices neceſſary for the accommodation of a private family, and the lot and garden properly incloſed, and all in good order.

One other lot or parcel of Ground, adjoining the town lots, near the above mentioned houſe, and contiguous to the reſidence of Richard T. Lowndes, eſq. containing 9⅝ acres.

Alſo, Lot No 7, in ſquare No. 704, in the City of Waſhington, being the north-eaſt corner of that ſquare, containing 9588 ſquare feet.

A further deſcription of the property is conſidered unneceſſary, as perſons inclined to purchaſe will doubtleſs ſatisfy themſelves by viewing the ſame. Mr. John Hough, at preſent reſiding in Bladenſburg, will ſhew the property, and the terms may be particularly known on application to him, or to

JOHN LAIRD, Truſtee.

N. B. I hold 246½ acres of Land, adjoining the above mentioned tract of Hills and Dales, which may be advantageous and deſirable for the purchaſer of the latter to have—and I will ſell the ſame on ſimilar terms. *John Laird.*
