Removal.

THE subscriber has removed his office from South street, to No 17, Commerce-street, where he has on hand and offers for sale,
250 hogsheads prime Maryland Tobacco
100 do. Virginia do. of different qualities
1600 lbs Ginseng, at a reduced price.
A Tract of Land, containing 55 acres, and another adjoining it, consisting of 117¼ acres, for sale: situate about 6½ miles from the city, directly on the new Frederick-town road, very well timbered, and no part cleared.
Also,
A very handsome and commodious COUNTRY SEAT, six miles from the city. The improvements are fit for the accommodation of any gentleman and family, and extremely well adapted to farming. The farm contains 228 acres, about 90 of which bear as good timber as any in the vicinity of Baltimore; the residue is very fertile, and in a high state of cultivation.—The terms of sale will be moderate, and the title unexceptionable.
Also,
The improvements on Federal-Hill, generally known as the OBSERVATORY *and its inclosure*, at present held under lease, (from the landed proprietor) at the rate of 100 dollars per annum.—If the advantages accruing to an intelligent and active man from its possession, will be taken into consideration, the purchase will be easy, as the terms are moderate; and, in *fact*, so much so, as may almost be considered as nothing—it would have been easily disposed of ere now, had it been known that it was to be offered for sale.
Likewise,
LOTS in the Federal city, in most excellent situations, principally between the capitol and the president's house, on such terms as cannot but be satisfactory to any purchaser or purchasers, who can be supplied to any amount within 100,000 dollars, and titles incontestible, coming from as respectable characters as any in the territory of Columbia, will be given. And as the present convulsed state of Europe may either induce or oblige foreigners of *large* capital to vest a portion of it in property daily increasing in value, and which would be advantageous either as a speculation, or in reserve for their children—it would not appear improper nor inexpedient for their agents or friends in this country, to come timely forward and make a speedy purchase.
Two pair Burr Mill Stones, one 6 feet diameter, the other pair 4 feet 2 inches, to be sold 50 per cent. cheaper than any of equal value and quality in Baltimore.
Wanted to purchase, Baltimore and Maryland Insurance Stock, for which cash will be given
Storage of hhds. Tobacco, Coffee, Box or Bale Goods, thankfully received at low charges.
JAMES M'EVOY, Broker.
