For Sale,

THE Valuable ESTATE called Sparrow's Point—It contains about one thousand acres of land, situated on Patapsco river, about eight or nine miles below this city, in Baltimore county. One tract extends on the river more than a mile from the mouth of Bear creek, to another creek below, and contains about seven hundred acres of very uncommon fertile soil, with a valuable proportion of timber land, on which are various kinds of the most valuable trees. This, with its convenience to so flourishing and well established a market, must render it an interesting object to any who may be inclined to purchase land so truly valuable.

Also is offered,

Another tract not half a mile distant from the above, containing about 300 acres of soil equally valuable, with a considerable proportion of heavy timber.

To accommodate purchasers the above tracts may be divided into smaller farms. And the many advantages that they command will be better ascertained by viewing them, than offering any further description, as they are too numerous to be pointed out by an advertisement. VALUABLE LANDS

FOR SALE.

On the 23d day of May next, will be exposed to public sale, on the premises, all that very valuable body of LAND, usually called the White Marsh, lying in Sassafras Neck, in Cecil county—containing about 1075 acres, part of the real estate of colonel James Brice, late of the city of Annapolis, deceased.

THIS Land is esteemed by those who are best acquainted with it, to be equal, if not superior, in quality and situation, to any in that county, and is peculiarly well adapted to the cultivation of wheat, corn, and other grain. It is at present divided into three handsome Farms, each of which has abundance of wood, and a suitable proportion of meadow-lands. The improvements on the middle farm consist of a good Dwelling-House, Barn, Stables, and other out-houses. Those on the other two consist only of Negro-quarters, built of logs. On a corner of the middle farm is a Store-house, Granary, and a comfortable dwelling-house, situated at the intersection of two public roads. The Store, &c. with about three acres of ground, is at present under rent at 60l. per annum, and is esteemed an excellent stand for business, especially in the Grocery line.

The above land is situated about six miles from Frederick-Town, on Sassafras River, and about thirteen miles from Appoquiminink, the latter of which is a steady good market for Wheat. It is probable that the Canal, which it is in contemplation to cut between the Chesapeake and Delaware, will enhance its value. This property will be sold on one body, or divided in such parcels as may best suit the purchasers. The terms of sale, will be, one half of the purchase money, to be paid in 15 months, the residue in 2 years; the whole to bear interest from the day of sale, and bonds, with approved security, to be given for the same. —Mr. Gassaway Watkins, manager, residing on the middle Farm, will shew the Lands to those inclined to purchase.

NICHOLAS CARROLL, }
NICHOLAS BRICE. } *Trustees.*

N. B. At the same time will be sold, on terms then to be made known, a number of fine Horses, Sheep, Hogs, &c. and all the farming utensils, but none of the Negroes.

NICHOLAS BRICE, *Adm'r. of James Brice.*

Fifty Dollars Reward.

RAN away from the subscriber, on the 29th October, 1803, living in Anne-Arundel county, on Elk Ridge, near Richard Owings's mills, in the state of Maryland, a dark mulatto Negro Man, named SAM, about 30 years of age, 5 feet 10 or 11 inches high, tolerably slender made, thin visage and small eyes; has middling bushy wool; his knees bend a little back; when strictly examined stammers, and apt to tremble. Took with him a white linen shirt; a pair of brown thickset breeches; one pair of coarse country-knit stockings, half worn; one pair of coarse double-soled shoes, nailed, half worn; a deep blue broad cloth coat, not much worn, double-breasted, with white metal buttons, and pockets but side; one coarse blue round under jacket, double-breasted, with white metal buttons, the pockets a little torn; one white country cloth short coat, half worn, with yellow buttons, and pockets inside; one fur hat, half worn; one white muslin handkerchief, and one red and white silk ditto. He is an artful villain, and I make no doubt he will change his name and clothes. His parents live in or near Annapolis. I will give the following reward for the above fellow: if 10 miles 10 dollars, if 20 miles 15 dollars, if 40 miles 30 dollars, if 80 miles 40 dollars, and if out of the state the above reward, including what the law allows if brought home, or secured in any jail, so that I get him again, agreeably to the above distances.

And also ran away, some time in August, 1800, a mulatto man named GEORGE, 25 years of age, 5 feet 6 or 7 inches high, full faced and well made; is middling bow-legged, wore long wool, has a small scar over one of his eyes; he is a pert spoken fellow, lips a little, and when strictly examined is apt to look down; is very fond of liquor and playing on the fiddle. I have understood he has been seen in Meadville-town, in the county of Crawford, state of Pennsylvania. Sometimes he has passed by the name of *Henry Robinson*. I will give 150 dollars to any person delivering said mulatto George to me, or 120 dollars for securing him in any jail, so that I get him again. Paid by

THOMAS WORTHINGTON,
(Son of John.)

N. B. I forewarn all persons whatsoever from harboring, employing or carrying off said negroes, as they will be dealt with according to law.

November 5. d

By the Visitors of Frederick county School, Oct. 12, 1803.

Public Notice is hereby given,

THAT by the resignation of the rev. Samuel Knox, the place of principal master in this school, hath this day become vacant; and the visitors have resolved to receive applications to fill that station in the school until the first day of January next, when they will proceed to make an appointment.

The duties of this master are to teach the Latin and Greek languages, Rhetoric, Logic, Belle-Letters and Composition, a compend of moral and natural philosophy, and by the rules of the school he will be principal of the whole institution, and in virtue thereof exercise certain specified controlling powers.

The emoluments attached to this station, will be a salary of three hundred dollars per annum, from the annuity given by the state of Maryland; and also the tuition money of all the scholars in this department.

The price of tuition in this department is fixed at ten pounds a year, and the number of scholars is not to exceed thirty-five, unless the master employs an assistant at his own expence, to be approved by the visitors, when the number may be extended to fifty-five.

It may be proper to add, that since the establishment of this seminary, the number of scholars in this department hath at times been equal to each limit, and from the healthiness of the place, the plenty and cheapness of provisions, there is a well grounded expectation that it would again attain a like prosperous rank. There is a very convenient building appropriated as a school-house, which affords sufficient school rooms for a large number of scholars in each of the departments.

By order,

GEO MURDOCH, President.

The editors of the Gazette of the United States, Philadelphia; the Federal Gazette, Baltimore; Wallington Federalist, George-Town, and the National Intelligencer, Washington City, are requested to insert the above advertisement once a week for eight weeks in their respective papers and transmit their accounts to
