Public Sale.

To close the concern of Durant and Wiseham, will be sold by public auction, on Tuesday, the 17th of January, at the exchange coffee-house, (if not previously disposed of at private sale,)
THAT Valuable and Improved PROPERTY, situate in Gosport, in the county of Norfolk, known by the name of the *GOSPORT DISTILLERY.* The lot is about 140 feet square, building 100 feet by 37 in the clear, built of brick and wood, and has lately been put in complete repair. The situation is healthy and pleasant; good water may be had quite convenient. It contains one English made still of 1000 gallons, quite new and lately set up, with cap, worm and worm tub complete; one ditto of 1300 gallons, with cap, worm and worm tub in good working order; one doubling still of 450 gallons, with cap, worm and worm tub in good order; one large return tub; one ditto receiving ditto; two stand casks of 524 gallons each; three ditto of 270 gallons each; eight new cisterns of 2400 gallons each, one of which charges the two large stills; twenty-one ditto of 1300 gallons each, in good order; four ditto out of repair; two low wine cisterns of 500 gallons each, in good order; one hand mill for grinding malt; two copper cranes, buckets, funnels, &c. sufficient to conduct the business upon an extensive scale; machinery, spouts, pumps and leaders, capable of pumping out either of the cisterns and conveying the working liquor into either or all of the stills. These works are capable of turning out 600 gallons spirit every twenty-four hours, with the labor of only three men.
There is also a mill house, 40 feet by 30, in which there is a mill and a well of never-failing water, with three pumps working by machinery, which conveys the water into any part of the distillery. A creek runs up to the door affording sufficient water for lighters, making the communication with Norfolk easy, and the carriage of molasses, rum, &c. to and from the distillery cheap and facile. There is sufficient space on the lot to erect a dwelling house and a cooper's shop, which business might here be conducted to considerable advantage.
This property is well worth the attention of men of capital, that could always command a supply of molasses. The demand for rum is such that there is no danger of having any quantity on hand; and if sold at the moderate profit of three cents per gallon, the business would yield a clear gain of eighteen dollars per day.
The terms are six, twelve, and eighteen months credit, and payment must be made in good endorsed notes, payable at the office of discount and deposit in Norfolk, with a deed in trust upon the property until the whole is paid. John Gibbs, living at the distillery, will shew it to those inclined to view it. For further particulars apply to us LEWIS E. DURANT, or
RICHARD WISEHAM.

VALUABLE LANDS

FOR SALE.
On the 23d day of May next, will be exposed to public sale, on the premises, all that very valuable body of LAND, usually called the White Marsh, lying in Sassafras Neck, in Cecil county—containing about 1075 acres, part of the real estate of colonel James Brice, late of the city of Annapolis, deceased.
THIS Land is esteemed by those who are best acquainted with it, to be equal, if not superior, in quality and situation, to any in that county, and is peculiarly well adapted to the cultivation of wheat, corn, and other grain. It is at present divided into three handsome Farms, each of which has abundance of wood, and a suitable proportion of meadow-lands. The improvements on the middle farm consist of a good Dwelling-House, Barn, Stables, and other outhouses. Those on the other two consist only of Negro-quarters, built of logs. On a corner of the middle farm is a Store-house, Granary, and a comfortable dwelling-house, situated at the intersection of two public roads. The Store, &c. with about three acres of ground, is at present under rent at 60l. per annum, and is esteemed an excellent stand for business, especially in the Grocery line.
The above land is situated about six miles from Frederick-Town, on Sassafras River, and about thirteen miles from Appoquinimink, the latter of which is a steady good market for Wheat. It is probable that the Canal, which it is in contemplation to cut between the Chesapeake and Delaware, will enhance its value. This property will be sold on one body, or divided in such parcels as may best suit the purchasers. The terms of sale, will be, one half of the purchase money, to be paid in 15 months, the residue in 2 years; the whole to bear interest from the day of sale, and bonds, with approved security, to be given for the same—Mr. Galaway Watkins, manager, residing on the middle Farm, will shew the Lands to those inclined to purchase.
NICHOLAS CARROLL, } *Trustees.*
NICHOLAS BRICE. }
N. B. At the same time will be sold, on terms then to be made known, a number of fine Horses, Sheep, Hogs, &c. and all the farming utensils, but none of the Negroes.
NICHOLAS BRICE, *Adm'r. of James Brice.*
