Public Sale.

To close the concern of Durant and Wiseham, will be sold by public auction, on Tuesday, *the 17th of January, at the exchange coffee-house, (if not previously disposed of at private sale,)*

THAT Valuable and Improved PROPERTY, situate in Gosport, in the county of Norfolk, known by the name of the *GOSPORT DISTILLERY.* The lot is about 140 feet square, building 100 feet by 37 in the clear, built of brick and wood, and has lately been put in complete repair. The situation is healthy and pleasant; good water may be had quite convenient. It contains one English made still of 1000 gallons, quite new and lately set up, with cap, worm and worm tub complete; one ditto of 1300 gallons, with cap, worm and worm tub in good working order; one doubling still of 450 gallons, with cap, worm and worm tub in good order; one large return tub; one ditto receiving ditto; two stand casks of 524 gallons each; three ditto of 270 gallons each; eight new cisterns of 2400 gallons each, one of which charges the two large stills; twenty-one ditto of 1300 gallons each, in good order; four ditto out of repair; two low wine cisterns of 500 gallons each, in good order; one hand mill for grinding malt; two copper cranes, buckets, funnels, &c. sufficient to conduct the business upon an extensive scale; machinery, spouts, pumps and leaders, capable of pumping out either of the cisterns and conveying the working liquor into either or all of the stills. These works are capable of turning out 600 gallons spirit every twenty-four hours, with the labor of only three men.

There is also a mill house, 40 feet by 30, in which there is a mill and a well of never-failing water, with three pumps working by machinery, which conveys the water into any part of the distillery. A creek runs up to the door affording sufficient water for lighters, making the communication with Norfolk easy, and the carriage of molasses, rum, &c. to and from the distillery cheap and facile. There is sufficient space on the lot to erect a dwelling house and a cooper's shop, which business might here be conducted to considerable advantage.

This property is well worth the attention of men of capital, that could always command a supply of molasses. The demand for rum is such that there is no danger of having any quantity on hand; and if sold at the moderate profit of three cents per gallon, the business would yield a clear gain of eighteen dollars per day.

The terms are six, twelve, and eighteen months credit, and payment must be made in good endorsed notes, payable at the office of discount and deposit in Norfolk, with a deed in trust upon the property until the whole is paid. John Gibbs, living at the distillery, will shew it to those inclined to view it. For further particulars apply to us LEWIS E. DURANT, or
RICHARD WISEHAM.
