LAND for Sale.

I WILL sell eighteen hundred and fifty acres of Land, lying on the waters of Bennet's creek, 12 miles from Frederick-Town, 28 from George-Town, and 36 from Baltimore. It may be divided in three separate farms, on one of which there is a good log dwelling house, with two rooms and a good brick chimney between them, and convenient out houses. The situation of the place is high and healthy, with an extensive and variegated prospect, a good orchard on it, and the water of a pure and excellent quality. The other two farms have convenient houses for tenants, and their situations equally healthy with the former. The whole of the land well adapted to Plaster of Paris, and there is a sufficient quantity of wood. It is unnecessary to be more particular in a description of this land, as it is presumed no one will purchase without viewing it. It will be sold together or laid of in lots, and may be seen and the terms known by applying to Mr. William Hobbs, of Samuel, residing near it; Mr. Henry R. Warfield, of Frederick-Town, or the subscriber, living in the upper part of Anne-Arundel county.

Baltimore Water Company.

BY the articles of association it is provided, that "The President and Directors shall have power to make application to the legislature of the state, at the next or any succeeding session thereof, for an act of incorporation for the said company, on the principles, and with the powers and privileges expressed in the first article of this association, and with such other powers and privileges as they may think advisable and to consent, on the part of the company, to such terms and conditions for obtaining the said act, as they shall think proper."

In pursuance of the above recited powers, a petition was presented to the last legislature by the president and directors, accompanied with the draft of an act of incorporation, in conformity with the articles of the association. The law passed by the legislature so materially differs, in many particulars, from the articles subscribed that the president and directors, on mature consideration, do not think it advisable to accept of, or to act under the law, in its present form, or until an alteration thereof can be procured; but in all respects to execute the said articles, as far as they have the means to do so, upon the faith of which individuals have subscribed and paid their money.
