SEALED ORDERS.

Out she swung from her moorings,
And over the harbor bar,
As the moon was slowly rising
She faded from sight afar—
And we traced her gleaming canvas
By the twinkling evening star.

None knew the port she sailed for,
Nor whither her cruise would be;
Her future course was shrouded
In silence and mystery;
She was sailing beneath "sealed orders"
To be opened out at sea.

Some souls, cut off from mooring,
Go drifting into the night,
Darkness before and around them,
With scarce a glimmer of light;
They are acting beneath "sealed orders"
And sailing by faith, not sight.

Keeping the line of duty,
Through evil and good report,
They shall ride the storm out safely,
Be the voyage long or short;
For the ship that carries God's orders
Shall anchor at last in port.

—HELEN CHAUNCEY, in *Sailors' Magazine.*

Be Patient.

Lassus somewhere says that it is experience which softens the heart, elevates the soul, and enables us to draw a just moral from the tale of life; but for my part, I should place patience far above experience. It is said of William Pitt that when in a conversation held in his presence on the quality most essential to a Prime Minister, one speaker had said it was eloquence, and a second had suggested knowledge, and a third industry, he replied, after some consideration, that in his opinion it was patience. It is not less essential, believe me, for the ordinary man who deals only with the ordinary affairs of life. For there is no trouble in the world which patience cannot wear out, nor a sorrow which it will not soften. To the abstrusest problems it applies a magic key; over apparently insuperable obstacles it quietly triumphs. Its action is silent, but it is irresistable, like the sunshine. It teaches us, instead of being in a hurry to knock our heads against the evil day or evil thing, to await its approach with calmness, and peradventure it will pass us by. When we find that the gods whom we have worshipped are but false gods, the friends we have trusted unworthy of our trust, we must still be patient. For all our disappointments, all our disenchantments, all our defeats and disasters, there is ample compensation, if we preserve our fortitude and self-control. There is always a bird's song in the air, if we will but listen; always bud or blossom on the spray, if we will but look for it. God deals out His chastisements one by one; His benedictions He pours down upon us without stint. Let the hour, then, carry away with it its difficulty or its grief; be patient and you will soon see the silver lining to the cloud.

—It is questionable at least to allow the baby to exhaust itself and annoy the household with its continual crying when that tried remedy, Dr. Bulls Baby Syrup will quiet it at once. Price 25 cents.

If you are troubled with dyspepsia, pain in the region of the heart, liver and kidneys, or any other painful symptoms, do not wait to confirm the disease, but break it up at once by using Laxador. You will thank us for the advice.

—A New York lawyer agreed to tell the truth for four years if Harrison was elected. He's been obliged to give up his law practice.

The Coming Comet.

It is fancied by a grateful patron that the next comet will appear in the form of a huge bottle, having "Golden Medical Discovery" inscribed upon it in bold characters. Whether this conceit and *high* compliment will be verified, remains to be *seen*, but Dr. Pierce will continue to send forth that wonderful vegetable compound, and potent eradicator of disease. It has no equal in medicinal and health-giving properties, for imparting vigor and tone to the liver and kidneys, in purifying the blood, and through it cleansing and renewing the whole system. For scrofulous humors, and consumption, or lung scrofula, in its early stages it is a positive specific. Druggists.

—If a young lady's maiden aim is successful, she has no maiden name.

—Their gentle action and good effect on the system really make them a perfect little pill. They please those who use them. Carter's Little Liver Pills may well be termed "Perfection."

—It is absurd to speak of the footprints of time when it is known that time flies.

Woman's Work.

There is no end to the tasks which daily confront the good housewife. To be a successful housekeeper, the first requisite is good health. How can a woman contend against the trials and worries of housekeeping if she be suffering from those distressing irregularities, ailments and weaknesses peculiar to her sex. Dr. Pierce's Favorite Prescription is a specific for these disorders. The only remedy, sold by druggists, under a positive guarantee from the manufacturers. Satisfaction guaranteed in every case, or money refunded. See printed guarantee on bottle wrapper.

The endorsement of German Syrup is unparalleled. We will publish 1000 testimonials received during the last six months. Read them. May save your life.

BURLINGHAM, N. Y., May 31, 86.

G. G. GREEN, DEAR SIR:—I am frequently troubled with severe colds, and the only remedy that will relieve me of them is your BOSCHEE'S GERMAN SYRUP. I have used it for more than twelve years. It is a constant household companion with me. Our merchant here procured it first at my solicitation, and says he has sold a great many bottles. It is a very popular remedy in this section. Every person who has used it speaks in the highest terms of its merits. I do not know of a single case it has not cured. I first used it in Vermont, where I lived before coming here. I advise every one to use it, as it is certainly the best cough medicine I have ever known. I have tried nearly all of them at different times. Yours respectfully,

CHESAPEAKE -:- GUANO,

For wheat and all crops where immediate results and permanent improvement of the soil are desired. Read what one of the largest and most intelligent farmers in Virginia says:

FRONT ROYAL, Va., July 8th, 188.—*Gentlemen:* Replying to your inquiry as to the result from the use of the Chesapeake Guano bought of you last season, I take pleasure in saying I have just reaped the heaviest crop of wheat from the land on which I used it, that I ever raised in experience of 40 years farming. I sowed it beside other goods of equal cost, and have no hesitancy in saying the Chesapeake made decidedly the most wheat, and I shall use it largely this fall.
