Messages to Seekers of Success

A Service of Safety

A bank, of course, keeps your money safe. And it just as surely can help you handle your money safely.

For instance, a checking account here is more than a simple convenience. It is a guarantee of security to you in the transmission of funds. It enables you to keep your money instantly accessible without danger of loss.

Checks Protect You

Your checks drawn on this bank carry your money to all parts of the country at the cost to you of a postage stamp. Checking enables you to keep track of your money in a systematic way. The stubs in your check book carry sufficient entries to do this.

The cancelled checks, returned to you each month, are legal receipts for your payments. These and many other benefits are yours if you establish a checking account here. We will be glad to discuss it further with you.

ANTHONY-HAYMAKER

A very pretty wedding was solemnized in the Methodist Episcopal Church Wednesday evening, December 7, when Miss Dorothy Anna Haymaker became the bride of Mr. James Elmer Anthony, of Centreville. The bride, who is one of Ridgely's most popular young ladies, was most becomingly attired in brown charmeuse with picture hat to harmonize, and carried a shower bouquet of bride's roses. She was attended by her sister, Miss Helen Haymaker, who wore navy taffeta embroidered in henna, and carried chrysanthemums. Little Miss Emma Cecelia Emerson acted as flower girl. A brother of the groom, Mr. Harry Cooper Emerson, was best man and Mr. Olin Pippin and Mr. Charles Bidding were ushers. Miss Margaret Swing rendered the wedding march.

The church was prettily decorated with evergreens and fern, and the ceremony was performed under an ivy-twined arch from the center of which a bough of mistletoe was suspended.

Directly after the ceremony the young couple left for an automobile trip. Upon their return they will reside in Centreville.

EXSTORM-IRELAND

On Sunday evening, December 4, Miss Isabelle Ireland became the bride of Mr. William Exstorm of Stevensville. The ceremony took place at the Methodist Episcopal parsonage in Hillsboro. Railroad Company in the local depot.

POST OFFICE AID TO SAVING ACCTS

Your "nest egg" for future financial success is waiting for you here at this post office. Wouldn't you like to know you have a fund laid by for a "rainy day" that would go on working for you no matter what happened to you?

The United States Government has made this possible by offering you guaranteed Savings Stamps and Certificates in denominations of $5, $25, $100, $1,000. You can get the one exactly suited to your pocket book. They yield 4 per cent interest, compounded quarterly. They may be redeemed at any time, beginning with the second calendar month after the month of purchase, for more than they cost. They are not subject to market fluctuation. When insured against theft, fire, and every other form of loss they are absolutely safe. It costs nothing to insure them.

How rapidly small savings grow is really surprising. Two dollars and a few additional cents each week (and that is not much—only about twenty-five cents a day,) saved and invested in $5 War Savings Stamps will yield, in 120 months, $600 in cash, and you will have $600 more, maturity value, payable $120 a year for five years longer. A total of $1200 with which to accomplish some special purpose, as the reward for a small measure of self-denial. Rather worth-while, isn't it?

Many take their savings from the top of the pocket book. They are no better off financially than you, perhaps, but they are saving regularly and investing in government securities, as the first expenditure of each month, an amount which might otherwise be needlessly spent. They are building an attractive fund for the future. Wouldn't you like to put aside a definite sum each month and start it working for you?

Remember, you can sell these Savings Securities back to the government, in case of necessity, with profit to yourself. You can buy them cheaper this month than next month. You can get them through this post office and have them delivered by mail carrier, if on a carrier route.

Extra Large Ones!

Mr. Len Long, who occupies the Murphy farm, killed a hog last week which weighed 666 pounds dressed.

Word comes from Goldsboro of a hog in that town which weighed before killing 1020 pounds. Both of these hogs were Poland Chinas.
