To be Sold,

One of the best servants in the state, with one fault.

A NEGRO MAN, about 30 years of age, who can turn his hand to any thing; he can shave and dress hair well; wait on table; he is a good Painter and Glazier. His standing employment for some years past, has been driving a carriage, and taking care of horses, that few understand better. With all these qualities, an attachment to a set of idle companions, and the gin-shop, renders him unfit for the city. If his master lived in the country, 1000 dollars would not purchase him. Satisfied is his master, that a removal there would make an entire change in his conduct, that any gentleman disposed to purchase, may have him on reasonable terms, and a few months on trial. Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 331 acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called *Grace's Quarter*, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Liverpool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrey.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.

The Elegant High-Bred Imported Horse,

FLORIZEL

WILL stand the ensuing season at the subscriber's stable, near the Trap, Newcastle county, state of Delaware, on Monday's, Tuesday's and Wednesday's; at the town of Newport, on Thursday's, Friday's and Saturday's; and will be let to mares at eight dollars the single leap, twelve dollars the season, or thirty dollars to ensure a mare being with foal, the money to be paid on the first day of October next, either to Thomas Colwell, Newport; or James Riddle, Newcastle; or the subscriber: but from those that pay the money on or before the first day of October next, there will not be demanded more than six dollars the single leap, twelve dollars the season, or twenty dollars to ensure a mare being with foal. No discount shall be made to those who will not comply with the last mentioned condition. Five shillings to the groom, to be paid when the mare is first covered. If mares ensured shall be sold or otherwise disposed of, the full price of ensuring will be demanded To prevent disputes, payment is not to be made to any but the above mentioned gentlemen or the subscriber.

Florizel was bred by the duke of Bedford, and imported by Mr. Hellen. He was got by the noted Florizel, the sire of Diomede, (now standing in Virginia at one hundred dollars a mare) his dam, brown mare, by Alfred; his gran dam Fairy Queen, by young Cade; (Fairy Queen is the grand-dam of Bedford, who was sold to col. Hampton of South Carolina, for five thousand dollars,) his great grand-dam, Ruth's Black Eyes, by Crab; his great, great, grand-dam Warlock Galloway, by Snake; his great, great, great, grand-dam, by the Bald Galloway; and his great, great, great, great, grand-dam Curwin's bay Barb.

Florizel is a horse of great constitution, genuine spirit, and without vicious habits. He is a very sure foal-getter; his colts have great size and bone. If size and blood united can recommend a horse, Florizel must stand high in the public estimation. It would be superflous to remark, that these undoubtedly contribute to the breed of horses in this country. It would be equally unnecessary to enumerate his offspring, let it suffice to say, that he is sire of almost every valuable horse in the county.

The season will end on the last day of June. Punctual attention, and the greatest care shall be paid; but no responsibility for escapes or accidents, by

WILLIAM FRAZER.
JAMES BOYEL, *Groom.*

Pledge of a silver Cup. I pledge myself to give a silver cup or bowl, of not less than fifty pounds value, to be run for at some convenient place, in all the mouth of Nov'r, 1810, (ground, day, and judges to be fixed upon by me in due time hereafter) free only for any colt, gelding or filly then three years old, which was got by my bay horse Florizel. The conditions upon which I give the above cup, are as follow:—Every person desirons of running for the above plate, must enter his colt, gelding or filly on or before the 10th day of October 1809, describing the color of the foal, and that of the mare, and who the mare was owned by at the time she was covered by Florizel, or to be thereafter excluded from the race. From the moment of which entrance, the persons entering them, shall stand in honor and in law, play or pay, to pay or cause to be paid into the hands of the judges of the race, the evening before starting, ten dollars for each colt, gelding, or filly so entered by them, making at the same time of payment, a declaration, that to the best of their knowledge and belief, the said colt, gelding, or filly, was got by William Frazer's horse Florizel, out of Mr. —— mare, in the year 1806, and that no person who has been expelled from any jockey club, is directly or indirectly an owner or concerned in the said colt, gelding, or filly, the race to be one single two-mile heat, carrying 100lb. each, and no allowances. Any person except expelled members, may enter and start as many as he pleases, and the entrance may be made by letter from the owner, if presented in due time. In a race of 1 heat, there cannot be a confederacy. The winner of the race to be entitled to the cup and one half of the entrance money, the second best to be entitled to three fifths of the remainder, and the third horse, to be entitled to the remainder; and they shall be paid in the order which they are here mentioned. I will not be answerable for any deficiencies arising from subscriptions not paid. The cup together with the money paid, and the subscription paper will be on the judges stand, and immediately delivered to the winners.

WILLIAM FRAZER.

N. B. The elegant hunting horse ROCKINGHAM will stand at the above place, at 4 dollars the single leap, 8 dollars the season, and 14 dollars to ensure a colt, 5 shillings to the groom. If paid by the first of October next, 6 dollars will be taken for the season, 12 dollars to ensure a colt. Rockingham is a beautiful bay, sixteen hands high, thought to be as fine a figure and form as any horse of that strane, with great spirit and action.

It is unnecessary to say any thing more about the above horses, as they will shew for themselves. Good pasture provided for mares bro't from a distance. The season will end the last day of August.
