

Washington April 7th 1860

My Mother Mr. [unclear]
[unclear]

I like you very much
and I have come to know
and having no friends of
yours in town I see about
them to Mr. Brown when I was
I was with you - It will be plain
to all - If he had been able to
send money in your account
I should have taken pleasure
in following your name.

Very truly your friend
