For Sale,

A very valuable TRACT of LAND, in Baltimore county, within 11 1-2 miles of the city of Baltimore, containing 640 acres, seated on a branch of Middle river, which empties into, and is within about 5 miles of the Chesapeake bay There are about 40 acres of this land cleared, the residue, about 600 acres, abounds with valuable timber, calculated for every useful purpose, such as ship-building, staves, &c. The soil is calculated to raise every species of country produce, but it is more particularly adapted for an extensive grazing farm, as more than one-half may be made choice meadow. The river, on which this land is seated, is navigable for vessels drawing about eight feet water, and abounds with the best fish, with which our markets are supplied, and there is not, perhaps, at this time, a tract of land offered for sale in the state, that enjoys more real advantages than this; its contiguity to the city of Baltimore, which is confessedly the best market on the continent, and the advantage of water carriage for ship timber, staves, tan-bark and fire wood, which is always in demand, and bears a flattering price, are objects worthy the attention of any person wanting to purchase such a place. A part of the purchase money will be required down, and a pleasing credit given for the balance. For further particulars apply in Baltimore, to
ROBERT COURTENAY.
