A Real Salesman

As the millionaire climbed into his costly motor car, a shabby little urchin rushed up and offered him a paper.

"Get away," he snarled, "I don't want a paper. Clear out."

The newsboy stood fast and regarded the churlish plutocrat with an amused smile.

"Aw, don't get grouchy, governor," said he, "the only difference between you and me is that you're makin' your second million while I'm still workin' on my first."

DEATHS

MRS. GEORGE STANT

Mrs. Sara Elizabeth Jane Stant, wife of George Stant of this town, died at the home of her daughter, Mrs. Lottie Coulbourn, last Sunday evening after a twelve-day illness of pneumonia, aged 71 years.

Though quiet and unassuming in her life, Mrs. Stuart proved herself a woman of kindly thought and action, ever ready to aid those in sickness or distress.

Beside her daughter, Mrs. Coulbourn, she leaves the following children: Charles, of North Caroline, Pierson, of Chester, Pa., John, of Wilmington, and Mrs. W. H. Johnson and Mrs. Robert Clague.

Funeral services in charge of Rev. J. L. Nichols were held Wednesday afternoon in the M. P. Church.

MRS. GROVER EWELL

Funeral services were held at the house on Wednesday morning at 10:30 with Rev. J. A. Dudley officiating. Interment was made at Bethel Cemetery near Federalsburg.

Will not Lease Idlewilde Lake Site

A mass meeting called at The Temple Tuesday evening for the purpose of ascertaining the sentiment of the townspeople regarding the proposed leasing of the Idlewilde Lake site from the Eastern Shore Gas and Electric Company for development for the town's benefit, resulted in a disorderly, indecorous affair, with very little intelligent discussion pro and con. Finally a motion to drop the subject carried.

It is to be regretted that the matter could not be pursued to some purpose for the reclaiming of this picturesque, pleasure-giving lake would be a great asset to the community.

Creditor's Sale of Real Estate

The public sale of real estate offered by the creditors committee—Messrs. T. H. Chambers, J. A. Hyland and J. W. Hurlock, for the Brown Package Company took place last Saturday afternoon.

The Federalsburg Lumber and Manufacturing Company bought 11 acres of meadowland in rear of their mill, for $210.00. H. M. Carroll and T. Sewell Noble bought lot running parallel to railroad for $250.00. The building containing express office, Dean & Dean's feed store, a dwelling and apartment, was purchased by J. N. Wright for $2350. I. S. Holt purchased 46 acres of woodland near "Sunnyside" for $900.00.

Miss Nellie Hackett Hostess

Miss Nellie Hackett was hostess at an enjoyable party last Thursday evening, progressive rook being the chief feature of entertainment. Tho' hearts may not figure on rook cards, they were much in evidence at this party in honor of St. Valentine. Miss Rachel Jefferson carried off the prize.

The delicious refreshments were served in buffet fashion, the tables being attractively and appropriately decorated.

The guests included: Misses Myrtle Messick, Blanche Jackson, Molly Martino, Raechel Jefferson, Hilda Covey, Irene Goslin, Ethel Davis, Myra Handy; Messrs. Robert Jefferson, Alfred Davis, William Bell, J. R. Elderdice, Victor Wright, Victor Goslin, William Wheatley and Robert Noble.

Woman's Club Enjoys Party

Following the business session of the Woman's Club, (held Tuesday because of Chautauqua) the members enjoyed a novel valentine party, arranged by a committee—Mrs. Leon Dill, Mrs. Harry Spicer, Mrs. Miriam Longaker, Mrs. H. E. Kinder and Mrs. Lena Jefferson. The business meeting was held in the Masonic Smokers' room, the ladies afterward going into the auditorium, which presented a festive appearance with its many festoons of gay red hearts and crepe paper decorations. The effect was most attractive.

The first fun came trying to fit a decapitated body with its severed head, each person drawing a head as she entered the door. When completed, the result was an old-time comic valentine. Afterward, arranged in facing pairs, the ladies drew each other's likenesses, when all were displayed and identities guessed. Some of the effects achieved were more startling than realistic. Mrs. Harvey Poole won first prize and Mrs. P. C. Cantner second in this guessing contest.

The event of the day was the "Vaudeville Show," this performance being on the stage. The programs for this, attractive, heart-shaped red folders bearing Dan Cupid's likeness, contained the following numbers:

The Greatest Show on Earth
High Class Vaudeville

1 Medley—Madame Lucretia's Orchestra.

2 The greatest speech on earth—Mrs. J. R. Charles.

3 Mrs. T. S. Holt in her delightful, entertaining chalk talks.

4 The Natural Songster—Has sung before the crowned heads of Europe—Mrs. R. K. Jefferson.

5 Mrs. H. H. Long—Renowned for her Mother Goose Rhymes

6 Mrs. L. C. Noble in her catchy ragtime. One hundred nights on Broadway.

The Medley was a screaming burlesque on an orchestra. Madame Lucretia (Mrs. Dill) directing her band (the committee) all garbed in regulation band coats and caps, and making unspeakable sounds upon various instruments, made a big hit with the audience. The other numbers were entirely impromptu, no "performer" being prepared for the stunt. All were absurdly funny. Finally came the big surprise, when a curtain was drawn displaying several tables, beautiful in effect and holding the daintiest of refreshments—red jello with whipped cream and heart-shaped cookies. The party was voted a big success and the capable committee given a vote of thanks.

Red Men Banquet

The Annual banquet of the Naumkeg Tribe, No. 102, I. O. R. M., postponed from the previous week, was held in the Masonic banquet hall last Thursday evening and was voted a success, both gastronomically and socially. A quartette composed of Mrs. O. W. Spicer, Miss Anna Brown, H. N. Hackett and H. W. Davis, furnished some of their excellent music, while Rev. J. L. Nichols of town and Rev. Melvin Wheatley of Centrevile, were the orators of the evening. About 150 guests enjoyed the banquet.

Home Economics at Club Meeting

It was Home Economics Day at the Woman's Club last Wednesday, when Mrs. H. H. Long, as chairman of the committee, was in charge of the program, which proved as profitable as it was interesting.

Attractive programs in booklet form, each cover bearing a picture of some culinary dainty, were distributed. These contained, aside from the program proper, recipes for three cakes, one from each committee member, and a quotation bearing upon cooking or the home.

Mrs. Long read a carefully prepared paper on Food Values. Incidentally she gave a timely, amusing little story; she also enumerated 12 causes of mal-nutrition in children, as stated by a renowned physician, and gave some menus for well-balanced meals. This was followed by a practical paper by Mrs. W. S. Noble on "First Aids in Sewing," setting forth the best methods of simple sewing and offering some valuable ideas for the home needlewoman.

A piano solo, "Sextette from Lucia," by Mrs. Long and an appropriate song, "The Welcome Cake," by Mrs. Noble, were pleasant features. Just as this song was finished, the Chairman produced as if by magic, three real live cakes, concocted according to the recipes in the programs. These were sampled by the club members to their great enjoyment. Roll call responses were famous quotations as to cooks and cooking. The program was one of the best of the club year.

In its business session, held prior to these features, the club voted to assist the Parent-Teachers Association in securing the necessary screening for the school lunch room.

Opening of Swarthmore Chautauqua

The Swarthmore Chautauqua, which for about ten years has been holding its three-day indoor session in Federalsburg annually, opened here in the hall of the Masonic Temple Wednesday of this week, with Miss Caroline Redden, of Denton, as its superintendent, and Miss Adeline Fisher, also of Denton, as the Junior superintendent.

PARENT-TEACHER ASSO. HELD SUCCESSFUL MEETING

One of the most successful meetings of teachers and parents of the school was held in the High School auditorium Monday night, with over 100 persons in attendance.

Mrs. J. H. Noble, president of the association, presided over the meeting. Ways and means for meeting the deficit in the janitor's fund were discussed, as was the prospective athletic meet of the county schools. Mr. Stuart MacIntosh, always an enthusiast for the out-door sports and an excellent trainer in boys' athletics, spoke about the requirements of such a contest.

The social hour following the business meeting was especially enjoyed. In deference to St. Valentine, red hearts were in evidence, which may have accounted for the heart-iness with which everyone entered into the games. Anyway everybody enjoyed this feature of the program, of which Miss Mary Davis and Miss May Thompson had charge. Refreshments of ice cream and cake added further pleasure to the occasion.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions.

FLOUR MADE AT HOME

from home grown wheat is just as good—and BETTER

That is the message we want to get across to the folks of this territory.

It isn't our selfish "say-so". Modern invention,—the aggressive American spirit—and our small plant—(a complete unit) grinds the same high grade FLOUR to be had from any big mill.

"Henry Ford is a 'PRACTICAL' dreamer. A man who hitches common sense to vision"—so said a great Eastern editor recently in summing up the various predictions and activities of the motor manufacturer.

See what he says about the SMALL FLOUR MILL.

That's why you should bring your wheat here. That's why housewives of this territory are every day asking for IDEAL FLOUR when ordering.
