Land for Sale.

I WILL offer at private sale, the Farm on which I now reside, containing **250** ACRES OF LAND, lying on Muddy Branch, about five miles from Rockville, and adjoins the farm owned by Mrs. Elizabeth Rawlings. This farm is situated in one of the most healthy neighborhoods in the county, and is now in a fine state of cultivation; is adapted to the growth of corn, wheat, rye, oats, and tobacco; is well watered. It contains about Seventy-five Acres of *WOOD*, and the timber equal to any in the county. It also has a fine *MEADOW*, there being from sixty to seventy Acres of Bottom Land, which, with a very little expense and trouble, could be made to produce grass very abundantly. There is likewise on this farm a very fine *ORCHARD*, of choice fruit, particularly apples and peaches. The improvements are a comfortable *FRAME DWELLING HOUSE*, with a good Kitchen and Smoke House; also, a large *BARN*, with Sheds, and all the out-houses necessary for farming purposes.

This farm being situated convenient to market, would be a great inducement to any one who may wish to purchase.

The subscriber deems it unnecessary to give a further description, as he takes it for granted that any one who may be desirous of purchasing, will call and view the premises for himself.

THE TERMS, which will be very accommodating, will be made known by calling at any time on the subscriber, living on the place.

This Farm is in a good state of cultivation, and well adapted to the growth of tobacco, and all kinds of grain. The improvements are a large and convenient *DWELLING HOUSE*, with other necessary out houses; one Tobacco House, with a first rate Stone Barn, for stabling purpose, a part of which has always been used as a tobacco house.

This property will be offered at private sale until the *FOURTH OF NOVEMBER NEXT*, and if not sold, it will then be offered at public sale, to the highest bidder.

Any person wishing to purchase, can view the property by calling on the subscriber, living on the premises. Further particulars are deemed unnecessary, as it is presumable that those wishing to purchase will view the property and judge for themselves.

There is a good MILL SEAT on the farm with the dam built and race dug, and from the great quantity of timber in its vicinity—being at the foot of the Sugar Loaf mountain—would be an excellent site for a saw-mill; also, for a distillery, factory, grist-mill, &c.

CONGRESSIONAL INTELLIGENCER.

THE Proprietors of the National Intelligencer, in order to meet the wishes of those whose circumstances or inclination do not allow them to subscribe even to a weekly Washington paper during the whole year, have determined to issue each session of Congress a weekly sheet styled "*The Congressional Intelligencer*," to be devoted exclusively to the publication, as far as its limits will permit of the proceedings of both Houses of Congress, and Official Reports and Documents connected therewith, including a complete official copy of the Acts passed by Congress during the session.

To bring the price within the means of every man who can read, the charge for this paper will be for the first session of each Congress One Dollar, and for the second session of each Congress half a dollar.

The price of the Congressional Intelligencer, to be issued on each Wednesday during the approaching Session of Congress, will therefore be One Dollar, paid in advance.

To enlarge upon the value, to those who take no newspaper from Washington, of this publication, containing an impartial but necessarily abbreviated account of the proceedings in Congress, including an authentic official copy of all the laws passed during the session, would be needless. The man who takes no such paper ought to take one, if he does not prefer remaining ignorant of what most nearly concerns his own destiny, and that of his family and his posterity forever.

☞ Payment in advance in all cases is indispensable.

This paper, being made up of such portion of the contents of the National Intelligencer proper, as can be compressed within the compass of a single newspaper, continues to be issued and mailed to subscribers every Saturday at Two Dollars a year, payable in advance in all cases—no account being opened with subscribers to the weekly paper.

To bring this paper yet more nearly within the reach of such as desire to take by the year a cheap paper from the seat of the General Government, a reduction will be made in the price of it where a number of copies are ordered and paid for by any one person or association at the following rates:

For Ten Dollars six copies will be sent.
For Twenty Dollars thirteen copies; and
For each sum of Ten Dollars, above Twenty-eight copies will be forwarded; so that a remittance of Fifty Dollars will command thirty-seven copies.

He returns his sincere thanks for the patronage heretofore extended him, and respectfully solicits a continuance of the same. CHAS. BECKWITH.
