EXTENSIVE HAT, CAP, AND FUR Establishment.
North side of Bridge St., between Congress & High Sts. Georgetown, D. C.

WM. F. SEYMOUR, Proprietor of the above establishment, having lately newly furnished, remodelled, and enlarged his store room, for the purpose of enabling him in future to conduct a larger and more extensive business, would most respectfully announce to his customers in town and the adjoining counties of Maryland and Virginia, that he has recently returned from his usual semi-annual visit to New York and Boston, with a large and choice selection of every description of goods in his line, comprising a varied and general assortment of the most beautiful styles, of rare and superior finish, than can be found elsewhere in the District.

Having made his purchases exclusively for cash, with a strict personal attention to his business, added to a practical acquaintance with it, and at not more than half the expense sustained in the adjoining city, he flatters himself that he has advantages superior to any other establishment in this District; and, in view of the above, purchasers are requested to examine all the markets for themselves, and then call on him, and they will be convinced that his goods are superior and lower than they have seen elsewhere. As he is determined to sell cheap, and maintain his reputation for keeping constantly on hand the most fashionable and general assortment, he has now ready for inspection and sale a large stock of—

AUTUMN HATS,

modelled after the beautiful pattern of Leary & Co., of New York, which, by its symmetrical proportions, and becoming shape, has taken precedence over all other styles introduced in that city, and from indications not to be mistaken will be the one universally adopted by the fashionable in this District for the present season: as Nutria Beavers, Mole Skin, Cassimeres, Russia and Silks, got up of the finest fabrics and beautiful lustre, with brims scientifically curled to suit each individuals taste. Hats neatly finished to order, by a peculiar art known to himself, to fit with comfort, in the most difficult cases, in two hours notice. A large assortment of—

CAPS,

of every variety of style and material, as gentlemen's travelling cloth, octigon, hat-shape, soft finish, Spanish, hunting, Prussian, Hessian, cloth fur trimmed, guard, ring, hair seal, fur seal, muskrat, glazed of all patterns and prices, silk velvet for infants, of beautiful patterns; and many other kinds. Arrangements have been made with the manufactures and importers to keep up the assortment at the present *cheap* rates for the season.

MUFFS AND LADIES' FANCY FURS, some new and uncommon kinds, in endless variety, now on hand, which the subscriber pledges to sell as low, or lower, than they can be purchased for in the District.

WRIGHT'S
Indian Vegetable Pills.

IF, during the continuance of storms and floods, the channels of *OUR MIGHTY RIVERS* become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be *OVERWHELMED WITH THE FLOOD.* In like manner with the human body—if the Skin, Kidneys, and Bowels, (the natural outlets for *useless and corrupt humors,*) become so obstructed as to fail in affording a full discharge of those impurities, which are in all cases *THE CAUSE OF SICKNESS,* we surely can expect no other results than that the whole frame will sooner or later be *OVERWHEMED WITH DISEASE.* As in the first place, if we would prevent an inundation, we must remove all obstructions to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open, and keep open, the Natural Drains of the body.

Wrigh'ts Indian Vegetable Pills,
Of the North American College of Health, will be found one of the best, if not the very BEST MEDICINE IN THE WORLD, for carrying out this beautiful and simple theory; because they completely *cleanse the Stomach and Bowels from all billious humors* and other impurity, and at the same time promote a healthy discharge from the Lungs, Skin, and Kidneys; consequently, as all the natural drains are opened, Disease of every name is literally driven from the body.

☞ CAUTION.—As the great popularity and consequently great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country agents and storekeepers will be on their guard against the many imposters who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a *certificate of agency,* signed by WILLIAM WRIGHT, Vice-President of the N. A. College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate, as above described, will be known as imposters.

The following highly respectable store keepers have been appointed agents for the sale of *Wright's Indian Vegetable Pills,* and of whom it is confidently believed the genuine medicine can with certainty be obtained:

BY an Advertisement of Sangster & Young, I am represented as being employed by them; thereby leading the public into an error which I feel my duty to correct. I have been in the employ of JENKIN THOMAS, SADDLE, HARNESS and TRUNK MANUFACTURER, for six weeks past, with whom I served a regular apprenticeship; and whatever proficiency I may have attained in my business, I am indebted to the superior advantages which his establishment afforded me in the perfection of my trade. Confession.

I THE SUBSCRIBER, publicly confess that I have been afflicted with a Secret Disease ever since 1823; I had thirteen eminent physicians whose names are now recorded at the French Medical House: some of them abated the disease, but it always returned worse than before, until it carried away both sides of my throat, and pierced the top of the palate. I also lost several bones of my nose and was almost blind of an eye, and my face was covered with an immense quantity of scabs, between which the skin was as red as scarlet, and I was indeed in a most deplorable condition, so much so that the learned professor S. pronounced me incurable. It was obvious to me, then, that a common doctor could not extricate me from the jaws of death—for they all follow the same old *rote*, with their train of mercury, mixtures or pills, invented by ignorance and continued by cupidity, and do no good to any but the venders. Several persons recommended the French Doctor of the Medical House, 16 South FREDERICK STREET, BALTIMORE, as a scientific man and a rare genius in those complaints. I went to him, and he pledged himself to cure me on written guaranty; and he furnished me with one room in his house, as he generally does with strangers—at no cure, no pay. I did not hesitate at all, on seeing so many likenesses of patients who are living evidences of the many wonderful cures he has performed in almost every kind of disease. Then he had my daguerreotype likeness taken, and I took his medicine for about a year, which completely cured me. He had then my other likeness taken, and both are to be seen at his office. If this meets the eye of some wretched being in the grasp of death, as I was, let him fly to this praiseworthy philanthropist, whose deep knowledge of the vital principles which animate the human frame, are known in both hemispheres, and I believe from my very soul (not forgetting that I am on oath) that his exquisite genius will discover many new and well appropriated remedies, as new diseases may be formed. HENRY BRUMMER.

Sworn before Justice WM. MCJILTON, the 30th October, 1845, Balt., Md. dec 3—12m

No Mercury or Copavia.

THERE are two ways to cure a Secret Disease, the first, so much boasted of, is merely the temporary disappearance of the symptoms, by means of mercury or copavia, and requires but a day or two, but it is very injurious indeed; the second way is to eradicate it out of the system, slowly, safely, and surely, without Mercury or Copavia. As the wise say—

Sound in a day or two,
'Tis too good to be true.

Thirty odd years of experience in the scientific practice of curing Secret Diseases in Paris and America, have enabled the French Doctor of the FRENCH MEDICAL HOUSE, 16 south Frederick street, near second street, to eradicate the most virulent disease, no matter from what cause it may have originated, in a very short but reasonable time, without Mercury or Copavia. Victims of an improper treatment, and wearied with disappointment, may confidently apply. Persons who have injured their Health by a certain practice called solitary vice, which brings impotency, will be restored to prime vigor. This is the only place in BALTIMORE, where a sure cure can be had on written guaranty and forfeiture, with strict honosty, and terms moderate. The most respectable city references will be given. The Great Digestor and Wind Destroyer.

THE most antiflatulent Medicine ever known in the world, which cures and prevents the formation of Dyspepsia, Consumption, Disease of the Heart, Rheumatic pains, Costiveness, Liver Complaint, Pains in the Side or in the Small of the Back, Palpitation of the Heart, Headache, Sore Throat, Shortness of Breath, Gout, Cold, Cholic, and is a perfect emmenagogue. This Medicine has been invented more than a score of years ago by the French Doctor of the FRENCH MEDICAL HOUSE, 16 South Frederick street, *Baltimore*, when he was living in Paris as a practising physician and lecturer—He then made a chemical extraction of the juice of blossom of certain flowers, which acts powerfully on the nervous system and re-establishes its own circulation. The Doctor has used it ever since in the above named Diseases, with great success. Many persons think that the French Doctor confines his practice solely to Secret Diseases, but such is not the case; any disease whatever will be treated and cured on written guaranty and forfeiture, if desired, with strict honesty—even those given up by Regular Doctors. Persons at a distance may consult the French Doctor by letter, and have the medicine sent to them. Advice gratis. dec 31—ly
