IRON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest part being first attacked, and a feeling of langour, lassitude, and "all goneness" pervades the system. Stimulants only afford *temporary relief*, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

PERUVIAN SYRUP,

a protected solution of the protoxide of Iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system.

To take medicines to cure diseases occasioned by a deficiency of IRON IN THE BLOOD, without restoring it to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: "I have been using the PERUVIAN SYRUP for some time past; it gives me new vigor, bouancy of spirits, elasticity of muscle."

Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.

The genuine has "PERUVIAN SYRUP" blown in the glass.

Notice to Sportsmen.

I REGRET the necessity to forewarn all persons from tresspassing, on my enclosure, for the following reasons: Gunners have shot two of my Cows, one of which I had to kill; crippled one of my best Colts, for several months.

My servants in the garden have several times been struck with shot, and myself twice; all my Chickens killed and taken off.

In fishing they take down my fencing, make bridges across my race, obstruct my waste-way, with what they call Darts, Pots, etc., compelling me every year to the expense of fifty or more dollars, in clearing away the deposits of sand accummulated thereby.—All neglecting this notice will be proceeded against according to law, and obstructions removed at their cost.

WHITE MEN MUST RULE AMERICA!

Clubs for 1868.

The Best New York Weekly Published.

NEW YORK DAY-BOOK
FOR 1868.

THE NEW DAY-BOOK is a straightforward, Radical Democratic paper, with a larger circulation than any other Democratic journal ever published on this Continent, and it enters on the threshold of 1868 more prosperous and more hopeful of the great cause it upholds than ever before. Standing on the foundation of the Declaration of Independence, that "all (*white*) men are created equal," and *therefore* entitled to equal rights, it is opposed to all forms and degrees of special legislation that conflict with this grand central TRUTH of Democracy.

THE DAY-BOOK, *therefore*, demands the restoration of the "Union as it was"—A UNION OF CO-EQUAL STATES UPON THE WHITE BASIS, as the only hope, and the only means possible under heaven for saving the grand ideas of 1776, and the fundamental principles of American liberty, and if the real friends of freedom, and the earnest believers in that sacred and glorious cause in which the men of the Revolution offered up their lives, will now labor to expose the ignorance, delusion and treason of the Mongrel party, IT WILL SUCCEED, and the white Republic of Washington be restored again in all its original beneficence and grandeur.

THE WEEKLY DAY-BOOK is the most COMPLETE WEEKLY PAPER PUBLISHED. Its News Summary, Family Reading, Agricultural Articles, Reports of Cattle, Grain and Cotton Markets, &c., &c., are not surpassed by any paper.

THE
Maryland Educational Journal,
A SCHOOL and FAMILY MONTHLY.
Published by E. S. ZEVELY
Baltimore Md.

DEVOTED to Education in its widest sense—mentally, morally, physically, at home and in the school-room—which will make it a readable journal for all.

This Journal is practical in purpose, substantial in matter, attractive in style. And although from its title it may be supposed that its pages are wholly devoted to school matters, such will not be the case hereafter. The subject of Education is a much broader one than many imagine, and the idea of the publisher of this Journal, as announced in the outset, is to make it very comprehensive.—The flashy publications of the day, filled with trashy tales, are devoted to Education, and that of a very useless if not injurious character. Not so with this Journal.

We solicit the interest and co-operation of all. Some one in every neighborhood and town wanted to secure subscribers. Liberal cash premiums paid to agents.

☞ With the new year, new arrangements will be announced. See January issue.
