UNION HOTEL,

Ellicotts' Mills, How. Dis. Md.

THIS old favorite and long established hotel having lately undergone new repairs and extensive additions, rendering it one of the most commodious and pleasant resorts for visitors in the state.

The proprietor having been at much expense in fitting up this establishment, would respectfully solicit the continuance of its Montgomery patrons and the public generally, to whom she feels grateful for the kind patronage heretofore extended to the Union.

THE UNION HOTEL being contiguous to the public buildings of the District, where persons generally having business to transact will find it convenient and agreeable to put up. The Bar is always supplied with the choicest Liquors and Wines—the Table with the best the market can afford, and Stables, which are large, will always be attended with faithful, trusty and sober ostlers.

The undersigned, from long experience in the business, and the many marked evidences of patronage heretofore extended, would renew her thanks, and again solicit the patronage of her friends and the public generally—assuring them that nothing on her part, or upon the part of her son, W. Irvin McLaughlin, who will, as heretofore, attend to the general supervision of the establishment, shall be wanting to give general satisfaction to all who may favor her with a call.

He can accommodate one hundred horses. His Ostlers are obliging and attentive. He pledges himself to use every effort to give satisfaction to all who may please to patronize him. EXTENSIVE HAT, CAP, AND FUR Establishment.

North side of Bridge St., between Congress & High Sts. Georgetown, D. C.

WM. F. SEYMOUR, Proprietor of the above establishment, having lately newly furnished, remodelled, and enlarged his store room, for the purpose of enabling him in future to conduct a larger and more extensive business, would most respectfully announce to his customers in town and the adjoining counties of Maryland and Virginia, that he has recently returned from his usual semi-annual visit to New York and Boston, with a large and choice selection of every description of goods in his line, comprising a varied and general assortment of the most beautiful styles, of rare and superior finish, than can be found elsewhere in the District.

Having made his purchases exclusively for cash, with a strict personal attention to his business, added to a practical acquaintance with it, and at not more than half the expense sustained in the adjoining city, he flatters himself that he has advantages superior to any other establishment in this District; and, in view of the above, purchasers are requested to examine all the markets for themselves, and then call on him, and they will be convinced that his goods are superior and lower than they have seen elsewhere. As he is determined to sell cheap, and maintain his reputation for keeping constantly on hand the most fashionable and general assortment, he has now ready for inspection and sale a large stock of—

AUTUMN HATS,

modelled after the beautiful pattern of Leary & Co., of New York, which, by its symmetrical proportions, and becoming shape, has taken precedence over all other styles introduced in that city, and from indications not to be mistaken, will be the one universally adopted by the fashionable in this District for the present season: as Nutria Beavers, Mole Skin, Cassimeres, Russia and Silks, got up of the finest fabrics and beautiful lustre, with brims scientifically curled to suit each individuals taste. Hats neatly finished to order, by a peculiar art known to himself, to fit with comfort, in the most difficult cases, in two hours notice. A large assortment of—

CAPS,

of every variety of style and material, as gentlemen's travelling cloth, octigon, hat-shape, soft finish, Spanish, hunting, Prussian, Hessian, cloth fur trimmed, guard, ring, hair seal, fur seal, muskrat, glazed of all patterns and prices, silk velvet for infants, of beautiful patterns; and many other kinds. Arrangements have been made with the manufactures and importers to keep up the assortment at the present *cheap* rates for the season.

MUFFS AND LADIES' FANCY FURS, some new and uncommon kinds, in endless variety, now on hand, which the subscriber pledges to sell as low, or lower, than they can be purchased for in the District.

'FEVER & AGUE!'

And "Rowand's Improved Tonic Mixture,"

"The Bane and the Antidote."

I HEREBY certify, that several persons under Medical Treatment for Intermittent Fever, (or Fever & Ague) within my observation and direction, have been cured by the use of "*Rowand's Improved Tonic Mixture*," after every preparation of Peruvian Bark, (Quinine) &c., had been tried in vain!

NATHANIEL P. CAUSIN, M. D.
Washington City, D. C.

Thousands of like certificates have from time to time been published.

1,500,000 *Cases of Fever and Ague,*

HAVE BEEN CURED BY

ROWAND'S

"Improved" Tonic Mixture!

WITHIN FIFTEEN YEARS!

HOWEVER startling this statement may at first appear, yet the fact may be demonstrated by *the single rule of three*, for we estimate by reference to the "Manufactory Book" that Five Hundred Thousand Bottles have been made and distributed over the country during that period!

Well, it is well known to the agents, especially in the Western States, that whole families of 5 or 6 persons have been cured by one single bottle. In a vast majority of instances one bottle has cured 1, 2, 3 and 4 persons. The average here would give three cases to every bottle, amounting to the astounding number of 1,500,000 cases of this "hated complaint" cured by this inestimable remedy!

Now "common sense" dictates the propriety of resorting at once to this old favorite, well-tried and sterling remedy, and of avoiding all vulgar and insignificant mixture. For sale by L. W. CANDLER, Ag't,

WRIGHT'S *Indian Vegetable Pills.*

IF, during the continuance of storms and floods, the channels of

OUR MIGHTY RIVERS

become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

OVERWHELMED WITH THE FLOOD.

In like manner with the human body—if the Skin, Kidneys, and Bowels, (the natural outlets for *useless and corrupt humors*,) become so obstructed as to fail in affording a full discharge of those impurities, which are in all cases

THE CAUSE OF SICKNESS,

we surely can expect no other results than that the whole frame will sooner or later be

OVERWHEMED WITH DISEASE.

As in the first place, if we would prevent an inundation, we must remove all obstructions to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open, and keep open, the Natural Drains of the body.

Wright's Indian Vegetable Pills,

Of the North American College of Health, will be found one of the best, if not the very BEST MEDICINE IN THE WORLD, for carrying out this beautiful and simple theory; because they completely *cleanse tha Stomach and Bowels from all billious humors* and other impurity, and at the same time promote a healthy discharge from the Lungs, Skin, and Kidneys; consequently, as all the natural drains are opened, Disease of every name is literally driven from the body.

☞ CAUTION.—As the great popularity and consequently great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country agents and storekeepers will be on their guard against the many imposters who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a *certificate of agency*, signed by WILLIAM WRIGHT, Vice-President of the N. A. College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate, as above described, will be known as imposters.

The following highly respectable store keepers have been appointed agents for the sale of *Wright's Indian Vegetable Pills*, and of whom it is confidently believed the genuine medicine can with certainty be obtained:
