FEDERALSBURG

Prof. A. C. BROWER

In the death of Prof. A. C. Brower, which occurred Saturday, March 25th, the Federalsburg High School has lost a loved and faithful principal, and the town, a revered and useful citizen.

Mr. Brower was a native of Michigan, coming from that state in 1892 to Seaford, Del., where he was principal of the schools for 17 years. He resigned that position to take a similar one in Federalsburg, where his success as an educator has been unequalled by his uplifting influence as a man. His spendid Christian character has done inestimable good in its daily contact with the youth of our community and must leave its impress indelibly stamped thereon.

Modest and retiring in his demeanor, he was ever staunch for the right, unswerving in rectitude. He was 74 years old.

He is survived by his widow, who was Miss Elsie Frazier, two daughters, Miss Veva Brower, of Palmyra, N. J., and Mrs. J Earle Pool and a son, Mr. Clarence Brower, the last two of Federalsburg.

Funeral services were held Tuesday afternoon at the Methodist Episcopal Church, conducted by the Rev. Mr. W. L. White, of Bridgeville, a former pastor, aided by the Rev. Mr. F. C. MacSorley, the Rev. Mr. J. L. Nichols and the Rev. T. S. Holt.

Interment was made at Mt. Pleasant cemetery.

Miss DELLA NICHOLS

Miss Della Nichols, aged 18 years, died Sunday morning, March 26th, at the home here of her brother, Mr. Lee Nichols, after a few days' illness of pneumonia following a recent attack of scarlet fever.

Miss Hilda was a daughter of Mr. and Mrs. Dover Nichols, of near town, and was a member of the graduating class of the Federalsburg High School

Funeral services were held Wednesday afternoon at Friendship M. E. Church and interment made in adjoining cemetery.

Barn Mysteriously Fired

The barn of Mr. Elwood Conley burned mysteriously last Saturday morning. On the previous evening during Mr. Conley's absence from home his wife thought she heard unusual sounds around the place and told her husband of this upon his return. He investigated and as he approached the barn, discovered a man's figure running toward the woods, but he found nothing wrong in the barn. During the night, Mr. Conley made a second journey around the premises to make sure nothing was amiss and returned satisfied, but in the morning, while milking the cows, he began to smell smoke strongly and then found his barn in flames. Already his horses had settled back in their halters, immovable with fright, but Mr. Couley cut the halters and was able to save all his stock, though much of his fodder stored there was lost. Naturally he feels that incendiariism was the cause of the fire, but is unable to find any clue to the guilty persons.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions.
