ADVERTISING YOUR PRINTING

PROSPERITY

We are continually working for your prosperity, and you can help us by giving us your next order for Printing. Do not forget we need your work.

ADVERTISING

Our Advertising is made up in an attractive manner. Each advertisement is placed beside local news, which means that the reader sees YOUR advertisement while reading the paper. Advertisements are not all jammed together, so that it is hard to find yours.

We have an advertising service, furnishing snappy advertising matter and a splendid cut service. Advertisements with suitable cuts are more attractive than without illustrations, and prove to be more profitable. This service is at your disposal —without charge.

Our circulation is large enough to insure you results from your advertising.

The American Union is THE BEST Newspaper published in Caroline County. It carries more local and county news than any other paper published in this county. If you want

NEWS

you want to be a regular subscriber to The American Union. Published Thursday afternoon you get the News

FIRST

in this, the best paper.

In County, $1.00; Out of County $1.50 a Year, In Advance

PRINTING

We want your next order for Printing. Where have you had your Printing done? Does it satisfy you? Perhaps we can improve upon it—its appearance, its neatness, quality of stock, etc., maybe you have some business blank, card or tabular work that we might offer some suggestion upon or make a change that will be more convenient or less labor to you. If you have any special form or blank that you desire to have printed, do not hesitate to call to see us and let us have a chance to help you and bid on your work.

Now, Mr. Business Man, Mr. Merchant, Mr. Farmer, the Ladies and Everybody, we want to do your Printing. Compare our work with that produced by any of the city shops and you will find we stand upon our merits only. That envelope, that letter head, that bill head, that card, that program, that invitation, anything to be printed, we can print and do it satisfactorily. We will please you. Give us your next order.

Our motto is—Speed, Service, Quality.
