Record each ministerial act on the day performed.

NOTES.—Place number of baptism in either "Infant" or "Adult" as the case may be: e.g., 1, 2, 3 in Infant, 4 in Adult, 5 in Infant, &c. The continuous numbering gives whole number of baptisms. The eye will readily catch from the columns, the number of each kind. Write Christian names in full. Use only one line across both pages for each person baptised.

NOTES.—Last columns under "Parents" indicate with a (|) whether father and mother are members of the congregation or not. Write father's and mother's full names. Two sponsors' names can be written in one space. More are unnecessary in this record.
