MALARIA

Malaria is an almost indescribable malady which not even the most talented physicians are able to fathom. Its cause is most frequently ascribed to local surroundings, and there is very little question, but this opinion is substantiated by facts. Malaria does not necessarily mean chills and fever while these troubles usually accompany it. It often affects the sufferer with general lassitude, accompanied by loss of appetite, sleeplessness, a tired feeling and a high fever, the person afflicted growing weaker and weaker, loses flesh day after day, until he becomes a mere skeleton, a shadow of his former self.

Malaria once having laid its hold upon the human frame, the door of the system is thrown open to nervous diseases. The body weak and enfeebled absorbs no nourishment, but subsisting upon itself, the digestive organs no longer perform their functions; the liver becomes torpid, and other organs failing to do their routine work, speedily become disordered, and dissolution and death are apt to ensue.

In addition to being a certain cure for malaria and chills and fever, BROWN'S IRON BITTERS is highly recommended for all diseases requiring a certain and efficient tonic; especially indigestion, dyspepsia, intermittent fevers, want of appetite, loss of strength, lack of energy, etc. Enriches the blood, strengthens the muscles, and gives new life to the nerves. Acts like a charm on the digestive organs. It is for sale by all respectable dealers in medicines, price, $1 per bottle

Be sure and get the genuine BROWN'S IRON BITTERS.
Take no other.

TUTT'S PILLS

A DISORDERED LIVER IS THE BANE of the present generation. It is for the Cure of this disease and its attendants, SICK-HEADACHE, BILIOUSNESS, DYSPEPSIA, CONSTIPATION, PILES, etc., that TUTT'S PILLS have gained a world-wide reputation. No Remedy has ever been discovered that acts so gently on the digestive organs, giving them vigor to assimilate food. As a natural result, the Nervous System is Braced, the Muscles are Developed, and the Body Robust.

Chills and Fever.

E. RIVAL, a Planter at Bayou Sara, La., says: My plantation is in a malarial district. For several years I could not make half a crop on account of bilious diseases and chills. I was nearly discouraged, when I began the use of TUTT'S PILLS. The result was marvelous; my laborers soon became hearty and robust, and I have had no further trouble.

They relieve the engorged Liver, cleanse the Blood from poisonous humors, and cause the bowels to act naturally, without which no one can feel well.

Try them once fairly, and you will gain a healthy Digestion, Vigorous Body, Pure Blood, Strong Nerves, and a Sound Liver. Price, 25 Cents. Office, 39 Murray St., N. Y.
