☞Remember, we do not ask you to visit us before going elsewheree, but we do solicit an examination of our goods before buying anywhere. To our gratification we have very often found that where buyers inspected the goods in other establishments first and ours last of all, the contrast was so overwhelmingly in our favor that numberless such sales gave the greatest satisfaction. Contrary to the usual custom of mercantile invitations, therefore, we ask you to see our goods, not before looking at others, but *before buying any other goods*, and generally because we want to make your visit a money-saving experiment for you.

THOUGHTS

Inspired BY THE Season

SINCE the establishment of the "Mammoth Hardware Store" in this town the people have enjoyed a service which has met every demand and pleased every taste.

The secret of this phenomenal achievement lies in our strict and constant adherence to the following principles:

1. We make no misrepresentations. The goods are just what we sell them for.
2. We handle durable and substantial goods
3. We keep a large variety in all departments of our business.
4. We sell nearly everything demanded by ordinary needs, and the extraordinary are furnished with almost equal celerity as the ordinary.
5. And we sell our goods as low as they can be priced commensurate with a profit sufficient to justify business.

☞ESPECIAL ATTENTION IS CALLED TO A VARIED LINE OF
