GOLDSBOROUGH WINS IN FIRST DISTRICT

Bruce Defeats France by Only 20,000—City Vote Was Lighter Than Thot

WOMEN CAN HOLD OFFICE

Hon. T. Alan Goldsborough was reelected Tuesday to the high office of member of the House of Representatives for a second term, defeating his Republican adversary, District Attorney Charles J. Butler, of Easton, in the First Congressional District.

Mr. Goldsborough, while not polling as many votes as had been expected, due to the failure of the Democrats in many places, failing to vote, drew heavily on the Republican votes which were cast. This also holds true of the election of Mr. William Cabell Bruce for Senator, over Senator Joseph Irwin France.

Mr. Goldsborough's majority is accredited as being around 6,000, having a majority in Caroline of 748 votes, being defeated in only one district,

In the race for Senator Mr. Bruce ran with but little margin over Mr. France except in Baltimore city, but there he polled enough votes to run his majority up to around 11,000.

All amendments passed throughout the state, though through the counties in some sections, the first four amendments were beaten, as was the case in Caroline.

Last but not least on the ballot was a constitutional amendment for the enfranchisement of women to hold office, this received but very little support in this county, having a majority of 290.

Large crowds were in town all day Tuesday attending the polling places and the main street was crowded all day long and well into the night with those interested in the election.

The American Union office was open until after midnight securing the returns from the county and reporting them to the Associated Press and Baltimore Sun. This office was the first to receive any returns from any district, the first being from Hillsboro. This information was immediately given to both the Republican and Democratic headquarters as was information from time to time during the course of the evening.

Entertained in Honor of Bride

Mrs. Harry Knotts gave a linen shower last Friday afternoon in honor of Mrs. Marc Breeding. Those present were Mesdames Marc Breeding, Jonathan Hughes, Dawson George, Alda P. Whitby, J. Roland Chaffinch, Frederick N. Nichols, T. Alan Goldsborough, Stanley Deakyne, Carroll Pastorfield, A. E. Cooper, Lawrence B. Towers, Thomas Green, Henry Hughes Wright Garten, Harry Knotts, Misses Louise Dukes, Katherine Stewart, Ella Carter, Elizabeth Pastorfield.

To Hold Supper

The Guild of Christ Church will serve a supper consisting of chicken, ham, potato salad, Maryland biscuit, hot rolls etc. at the home of Mrs. Vangesel from 5 to 8 P. M. November 15. All are cordially invited.

DID YOU EVER STOP TO THINK—

THAT—NOW IS THE TIME to get busy and BOOST your city.

THAT prosperity has returned and the period of depression is over.

THAT signs of improvement in business are so clear that they cannot be mistaken.

THAT much of the "dead wood" has been removed from the business world during the past year.

THAT newspaper advertising is a BUILDER OF BUSINESS. START to BUILD your BUSINESS.

THAT your establishment may be well fixed financially, you may have a modern and complete stock, your location may be good, but the lack of one element will keep you from achieving the sucess you deserve and that is the "good will" of the buying public. The way to get that good will is by TRUTHFUL ADVERTISING.

THAT experience teaches a lot of people things that they should know.

THAT all business men should practice what they preach. BUY AT HOME.

E. R. WAITE, Secretary
Shawnee, Oklahoma,
Board of Commerce.

LARGE ATTENDANCE AT FEDERATION

The Andersontown - Hobbs, Williston, and Federal Community Clubs entertained the Caroline County Federation at an interesting all-day meeting in Williston Friday, November 3rd.

The meeting was called to order by the President, Mrs. Eva A. Small, at 10 o'clock. After a roll call of Clubs, all ten of which were represented, the minutes of the meeting held at Choptank were read and approved and the Secretary followed this by reading the minutes of the last Board meeting.

This being the regular annual meeting of the Federation, reports from all the clubs were read, which proved most inspiring, setting forth as they did the work each club has accomplished during the past year.

Mrs. T. C. Horsey, of Greensboro, read an interesting report of the semi-annual meeting of the Eastern Shore District of the State Federation, held at Elkton on October 5th.

After a report from the Department of Public Welfare, the President gave a short talk in which she spoke of work that she hoped to see the clubs accomplish during the present year, calling attention especially to the sale of Christmas seals which will be undertaken by the Women's Clubs of the county and which will start about the first of December.

Mr. John Rosser of the Fifth District was allowed a few minutes in which he presented a resolution against the legal fine of $50 for killing foxes. Mr. Rosser said that the foxes that have been imported and are being protected for the sport of our fox hunters, have become a menace to the poultry of the farmers. The Federation voted to back the resolution, although it is to be sent to each club for ratification.

A very delightful luncheon was served by the hostess clubs, after which Mr. Collins Thomas, the County Agent, showed several reels of motion pictures by means of a new machine which he said he could use in his business to very good advantage and which he invited the clubs to help pay for.

Hon. T. Alan Goldsborough had been asked to explain to the Federation just why the Parcels Post trucks that had run from Easton, Hurlock and all points north on the Shore had been discontinued. Mr. Goldsborough said that the route had been discontinued only after it had been proven conclusively that the farmers did not patronize it, and so made the continuing of it impracticable. Mr. Goldsborough then explained, by request, the five amendments to be found on the ticket at this election.

The outstanding feature of the day was an address on Japan by Dr. Katherine Gallagher of Goucher College.

Dr. Gallagher made the audience see Japan, situated on her 4000 islands and running over with population—practically without natural resources of her own—in a different light from that in which they have been accustomed to view the flowery kingdom. They were made to see just how the county is governed, and why her viewpoint should be such as to make her actions in international affairs what they have been. In fact Dr. Gallagher's first hand knowledge, her clear thinking and forceful expression made her hears realize, as never before perhaps, the real humanness of the Japanese. One can but admire their marvelous acheivement in changing from a mediaeval to a modern civilization in little more than half a century.

After a few minor matters of business were disposed of, the Federation adjourned to meet in Feburary.

MAUDE ANTHONY McMAHON DIES IN CAMBRIDGE HOSPITAL

Mrs. Maude McMahon, wife of Harry W. McMahon, near Federalsburg, Md., died at 7:30 o'clock Tuesday evening, October 31st. in Cambridge Hospital from complication of diseases.

Mrs. Mahon had been in poor health for some time, but bore her afflictions without complaint. Her condition took a sudden change for the worse and an operation was decided upon. She died four days later. She was a daughter of Mrs. Marietta and the late Robert W. Anthony and was 33 years old. She leaves four small children. Funeral services were held in Nichols church, at two o'clock last Thursday conducted by Rev. Mr. Truitt, the pastor. Burial in Federalsburg cemetery.

W. C. T. U. To Meet

The monthly meeting of the Y. C. T. U. will be held at the home of Mrs. Mable Duffy on Sixth street Monday evening next, the 13th.

Another Year.

RED RABBIT GIFT SHOP OPENED WEDNESDAY

The Red Rabbit Gift Shop yesterday entertained about one hundred guests at tea, from 2 till 5 o'clock. This was the final opening, although since last Friday the shop has been open for business, and many of the charming wares were sold.

Two rooms compose the shop proper and there have been furnished with chairs and tables, painted and senciled in attractive designs.

And the gifts. Gifts for everyone large or small, man or woman. Exquisite Mareira luncheon cloths and sets, doilies, bibs, pillow covers vie with dainty edgings and lacy madallins on one table. The next holds the hammered brass and copper ware—a sandwich tray, a most unique nut bowl with crakers, paper clips, etc. Any book lover would delight in the book ends, which though of word complete this table. And then there are charming little pins, dainty handkerchiefs, children's cutouts, lovely chains and beads, many other different gifts

The hand-wrought iron ware attracted attention. Querrly-shaped candlesticks for use in various places and ways were greatly admired as well as the fire fork, marshmallow toaster and cake turner.

Many of the goods have not yet arrived, much to the keen regret of the proprietors, the Misses Blanche and Edna Hobbs and Anne Lewis. The guests, however, were so delighted over the display that there is little doubt but what the Red Rabbit Gift Shop will be ahuge success.

P. T. A. Meeting Monday

Monday evening the regular monthly meeting of the Parent Teachers' Association was held in the high school building with about one hundred present. After the opening exercises a report on the financial expenditures of the school last year were read by Professor L. A. Leary which was approved.

Mr. W. I. Norris, member of a committee that had been appointed at the October meeting of the association to arrange for athletic grounds for the school, said that the committee's efforts to secure appropriate athletic grounds for the children had had such appalling reception at some points that he didn't think the report he would have to make would be at all complimentary to the community as a whole and hence he would withhold a report.

It was stated that the chairs which have been ordered for the auditorium have been shipped and will probably be in their places before the next meeting.

Mrs. Norman Rairigh was appointed assistant secretary for the balance of the fiscal year.

Following this business meeting a splendid program was rendered and light refreshments served.

CONCORD

The Ladies Aid of Concord was entertained at the home of Mrs. E. C. Collins last Wednesday afternoon.

Mr. and Mrs. D. E. Todd visited Mr. and Mrs. C. J. Everngam, Sunday afternoon.

COMMUNITY CLUB ELECTS OFFICES FOR 1923

Because of the conflict with the Federation meeting, the Denton Community Club held its meeting on Thursday of last week instead of Friday. The annual election of offices was the main business of the day, with the following result.

President, Mrs. Frank Yoeman
1st Vice President, Mrs. F. B. Pickering
2 nd Vice President Mrs. Thomas Clark
Secretary, Mrs. Oron Smith
Assistant Secretary, Mrs. Clara Hitchcock
Treasurer, Mrs. Thomas Guest
ssistant Treasurer, Mrs. Reuben Rairigh.

The new officers will assume their duties in Janurary.

The hostess of the meeting were Mrs. Reuben Rarrigh, Mrs. Cawley, Mrs. Lednum and Mrs. G. H. Rue. Hollowe'en decorations adorned the room. The ladies were welcomed at the door by two of the hostesses dressed as ghosts. Sandwhiches, and coffee were served following the regular business meeting.

The Ladies Aid Society of the Denton M. E. Church are going to have a Bake and Bazzar. Saturday afternoon and evening the 2 of December, at the Old Parsonage.

BOY SCOUT MOVEMENT PROGRESSING RAPIDLY

Troops Are Being Established in Many Communities and Leaders Are Awaiting Arival of Scout Executive to Direct

Work of getting the Boy Scout movement well organized on the Eastern Shore is proceeding rapidly and satisfactorily. Troops have already been established in several communities, and with the perfection of the organization for this district, and the arrival of a competent Scout Executive, the movement is expected to take on a fresh impetus.

The members of the Executive Board are John W. Noble, Preston, President; Dr. A. A. Parker, Pocomoke, first vice-president; Charles F. Brougham, Easton, second vice-president; L. Atwood Bennett, Salisbury, third vice-president; F. W. C. Webb, Salisbury, treasurer; Harry L. Harcum, Salisbury, chairman of the financial committee.

Graham Watson, Centerville, chairman of troop organization; Howard Hirst, Cambridge, chairman of camping. Calvert L. Estill, Salisbury, chairman of publicity; W. B. Cropper, Chestertown, chairman of civic service; E. C. Fontaine, Pocomoke, chairman of scout training; Judge Robert F. Duer, Princess Anne, chairman of the committee on scout honor.

These officials, together with the chairmen from the various counties constitute the governing body with which the Scout Executive will be in constant contact. It is expected that a Scout Executive will be appointed in the near future and from the time of that appointment, scouting on the Eastern Shore will take on a new significance.

Character development is the real objective of the Boy Scout Movement. Every step in the Scouting program is but a means to this end. The variety and interest of, as well as the practical knowledge insured by the tenderfoot, second class and first class tests are, after all, but a means for holding the interest of the boy, pledged to the Scout Oath and Law, under such leadership as will bring about character development. Likewise the whole scheme of merit badges is primarily for this same purpose. The form of troop organization, the scoutmaster and his assistants, the local council all of its officers, are also but a means to this end.

This character development manifests itself in health, efficiency, chivalary, loyalty, patriotism and good citizenship.

CAROLINE HIGH WON FROM FEDERALSBURG

Did Caroline High do it? Well, we'd say she did, and she didn't leave any doubts as to whether the game was hers or her adversaries, when she trounced Federalsburg here last Friday afternoon in soccer to the tune of 2 to 0.

Federalsburg came here last Friday, with the full intention of not breaking its record of no games lost this year and started in to play with that in mind. Boys of old C. H. S., however, had something else in mind—that C. H. S. was going to win and win she would. With this firmly implanted in the minds of the boys the game started off with a rush and not once in the two 25 minute halves did Caroline slacken her pace whatsoever. So fast did they play that Federalsburg was not only knocked off its guard, but also off its feet and were unable to get near the score posts.

An old soccer player from Baltimore who witnessed the game and who, for many years has witnessed the championship games, said he never saw such fast playing by a high school team.

Notwithstanding the fast work and good work of our boys, not one of them tried any grandstand plays, nor was any starring observed, every boy was in to win for Caroline, irrespective of personal laurels.

Our first goal was scored in the first half by a corner kick from Fluharty to Duffy, while the second goal was made in the last three minutes of the second half by Duffy, after the sun had gone to rest, for its was almost black dark before the referee's whistle called time for the game.

Due to a new ruling of the school board the games are not permitted to start as early as former years and this makes nearly every game wind up after dark.

Caroline was well supported on the side lines, having the largest crowd of rooters so far this year, although the receipts from passing the hat were very meagre and did not pay expenses.

Winning of this game gives Denton 11 points while Preston and Federalsburg now have each 9 points.

Caroline High goes to Preston tomorrow, Friday, and when they win this game they hope to have enough points to make them county champions, although Federalsburg has two more games to play, Greensboro and Ridgely. Every one who can, get in a car, fill it up with rooters for Caroline and go to Preston tomorrow afternoon.

Preston 0; Federalsburg 0

Tuesday afternoon Preston held Federalsburg on the latter's grounds to a scoreless tie and places itself in line with Denton and Federalsburg for the championship. Preston boys have an idea they will win tomorrow, but we shall see when Caroline high gets there.

Schminck, Preston's center half, and who is only 13 years old, played as usual—here, there and everywhere. He is surely alive, on the go and full of pep. No wonder he was chosen the captain of the team, for he leads his team mates rather than telling them to go ahead. He was ably assisted by Blades who has been out of the game for several weeks, having had a cast on his leg due to an injury received in a game early in the season.

Denton 8; Ridgely 1

In a loosely played game Tuesday afternoon, Ridgely was defeated by Denton on her own grounds by the score 8 to 1, notwithstanding the fact that Caroline's team was made up of material being broken in for next year and had but a very few of the first team men.

SAYS CONTROL OF DISEASE RESTS LARGELY ON PUBLIC

Only through public cooperation with health departments can there be better control of communicable diseases, said Dr. A. J. McLaughlin, United States Public Health Service surgeon, in a lecture yesterday at the Johns Hopkins University School of Hygiene and Public Health.

"Health departments," Dr. McLaughlin said, "have reached the bottom in decreasing mortality caused by communicable diseases. There must now be a development of public interest, education in personal hygiene and community spirit to eliminate contagious disease."

The majority of citizens the speaker said, do only what the police power of health departments compels them to do. They should be taught to obey the requests of these departments. If not, he said, there will be a return of influenza.
