SUGGESTIONS AS TO CLOTHING.

Owing to the time of year, the locality in which the party is to operate and conditions to be met, it is suggested that each man have in his outfit the following list of articles or their equivalent:

2 pr. of lace leather boots
1 " " house shoes
1 reefer or Mackinaw jacket
1 rain coat or "slicker"
1 sweater
gloves suitable to owner's work
2 pr. Kahki or corduroy pants
plenty of heavy socks and heavy underclothing
1 cap with ear covers
1 pr. blankets
If you have it, 1 "Gold Medal" camp cot
Soft collars or blue flannel shirts are preferable to starched collars.

A heavy piece of canvas and straps should be provided with which to "do up" the blankets. The boots can be packed in the same bundle.

Baggage will be limited to 2 suit cases and blanket roll per man. If trunks are taken they will have to be stored at the starting point or forwarded at the owner's expense.
