After a long and careful scientific investigation, it has been found that:

2% of all Automobile accidents are due to poor brakes.
25% of accidents are due to recklessness.
50% of accidents are due to defective vision.

We know that 70% of the people need glasses and that about 30% have them. This means that about 40 out of every hundred drivers of motor cars need glasses.

The place, though small,
Has much for all.
Each may find a gift.

Remember Christmas soon will come,
Each must have gifts—at least one.
Dainty Madeira, a charming gift.

Red Christmas candles, gloom will lift
All the children around "cut outs" rally.

Books, beads and brass,
Bridge scores and tally;
Iron, hand wrought, into many wares
Takes from Christmas shopping all its cares.

Gifts for the aged,
Infants, too,
Found in this place
'Tis all for you.

So, come to see us,
Here's a chance for all.
Opportunity knocks!
Pray, make us a call.
