DUFFY'S
PURE
Malt Whiskey.
ABSOLUTELY PURE & UNADULTERATED TRADE MARK
Absolutely Pure and Unadulterated. Entirely Free from FUSIL OIL.
FUSIL OIL—Do you know what it is? Ask your Physician or Druggist and he will tell you that IT IS A DEADLY POISON. Positive Sure Cure for Malaria, Pulmonary Complaints, Indigestion, Nervous Prostration, Bronchial Troubles, General Debility, Loss of Mental Power and all Wasting Diseases. Endorsed by over 3,500 Physicians and Chemists. Invaluable as a STIMULANT AND TONIC in Typhoid Fever, Dysentery Diarrhœa, and all low forms of Disease. THE RECOGNIZED
ANTIDOTE FOR CHOLERA.
We are the only concern in the United States who are bottling and selling to the Medical Profession and Drug Trade an absolutely Pure Malt Whiskey, one that is free from FUSIL OIL and that is not only found on the sideboards of the best families in the country, but also in the physician's dispensing room.
DR. ARENDT, *the great German Chemist*, says:—"*I have made an analysis of your PURE MALT WHISKEY, which gave a very gratifying result. Your Malt Whiskey, obtained mostly by extract of malt conversion and a very careful fermentation and distillation, is* entirely free from fusil oil *and any of those similarly obnoxious alcohols which are so often found in whiskey. I therefore,* RECOMMEND IT TO THE MEDICAL PROFESSION.
Prof. VON VONDER, writes:—"Purity itself—Duffy's Malt Whiskey, is the purest liquor that I have ever analyzed. I must therefore unqualifiedly recommend it to the medical profession."
The late HARVEY L. BYRD, M. D., President of the Faculty, and Professor of the Baltimore Medical College, says: "I find it remarkably free from fusil oil and other objectionable materials so often found in the whiskies of the present day.
JAMES J. O'DEA, M. D., of Staten Island, the author of several works on insanity, writes: "When I prescribe an alcoholic stimulant, I order your famous Malt Whiskey. I know it to be wholesome, clean and unadulterated."
FRED. H. SAWERS, M. D., of Rochester, N. Y., a graduate of the leading European colleges, says: "I prescribe your Malt Whiskey in my practice here, consider it a very superior reliable article and can heartily recommend it in low states of fevers, acute inflammations, and depressing maladies generally, and also as a tonic in feeble digestion and convalescence from acute diseases, where an alcoholic stimulant is indicated, and especially in Phthisis Pulmonalis."
IN FACT, IT IS A BEVERAGE AND MEDICINE COMBINED.
TO CONSUMPTIVES, and those afflicted with HEMORRHAGES, WE WILL on receipt of SIX DOLLARS, send to any address in the United States (East of the Rocky Mountains), all Express Charges prepaid a plain case (thus avoiding all opportunity for comment), containing Six Quart bottles of our PURE MALT WHISKEY and with it in writing, and under the Seal of the Company a SURE and POSITIVE CURE for CONSUMPTION and other WASTING DISEASES in their early stages. This Formula has been prepared especially for us by the great German Scientist, *Dr. Von Vonders*. It can be prepared by any family housekeeper at slight expense (Raw Beefsteak and our PURE MALT WHISKEY being of the ingredients.)
After this preparation has been taken for a few weeks, the previously conspicuously prominent bones in patients suffering from Consumption and the like diseases, get covered with a thick coating of fat and muscle, the sunken and bloodless cheeks fill up and assume a rosy hue, the drooping spirits revive, while all the muscles of the body, and chief among them the heart, are enabled to perform their functions, because of being nourished with a richer blood than they had been before. In other words, the system is supplied with more carbon than the disease can exhaust, thereby giving nature the upper hand in the conflict.
—SOLD BY LEADING DRUGGISTS AND FINE GROCERY HOUSES.—
Sample Quart Bottles sent to any address in the United States (East of the Rocky Mountains), securely packed in plain case, *Express charges prepaid* on receipt of $1.25.
