more likely to be of advantage to His Majesty's arms, you are authorized to postpone or even to abandon the object now in contemplation; but in this event you will not fail to give timely notice to the force to be assembled at Negril, and to convey to them orders for a junction with you, or for such other proceedings as, in conjunction with Major General Hogg, you may think proper to adopt.

I have only now to repeat to you Their Lordships authority (originally conveyed in my letter by the Pigmy) to proceed on the expedition to the Gulf of Mexico forthwith, or, if you shall be otherwise, and more essentially, in your opinion, employed, to depute one of the Flag Officers
