Special Notice

"Save It With W--P Ice"

We wish to inform all consumers of ice, that we have purchased the Denton Ice Plant, and will operate it the coming season. We expect to manufacture a better grade of ice and it is our sincere wish to render a service unsurpassed in previous years.

During the coming season, we want all of you to feel that our employes are working for you from the second you make your purchase until the ice is delivered in your ice box or refrigerator. We would therefore greatly appreciate your immediate report to us of any inattention upon the part of any of our employes.

We will advise later, when our plant will be placed in operation, and at that time will advise when the wagon retail delivery service will be re-established, at which time we will offer to the retail trade our 500 pound ice coupon books at a reduced price for a limited time.

We would welcome any suggestions from our customers for the betterment of the service during the coming season.

We hope that we may continue to be favored with your valued patronage.
