ANNOUNCEMENT

"Save It With W--P Ice"

We wish to announce to our patrons, that we expect to place our plant in operation and also establish our wagon retail delivery service, the coming week.

We will give to each of our patrons, free, with their initial purchase of our new ice, one ice pick or awl, which is very useful in cracking ice for any purpose.

We will also offer our ice coupon books to our dwelling trade at a special price, for a limited time, to be paid for in advance, which are to be used in purchasing ice, and which may be used at any time during the season, or redeemed at any time by the purchaser.

We would suggest that ice used by dwellings be purchased with coupons, which will enable our drivers to get over route earlier, and thereby render a better service.
