TOWN ELECTION

Next Monday is town election day, and it's time to take stock of town affairs and see who's the best man. What does Denton need? Times and ways are moving fast these days, and we have too much faith and pride in our town to let her drag behind. Who is best able to lead her on the forward march? Who will best serve the interests of the town, as a whole? That man is the one you want to vote for, Mr. Citizen. And you, Mrs. Citizen, with your "of-age" daughters—don't forget your duty on election day, either. Last year we turned out a record vote on town election day. Let's go it one better; let's show our civic interest by turning out 100 per cent. and putting the right man on the Board of Town Commissioners.
