PINEY NECK ITEMS.

The fourth quarterly conference of the M. E. Church was held at the parsonage on Wednesday afternoon, Feb. 12th. The reports are very good, showing that the pastor and people had enjoyed a very prosperous year together. Dr. Robert Watt, D. S., was present and presided over the meeting.

The Normal Class of Miss Susie Frazier's, which is a branch of the Junior Epworth League work, will hold a Martha Washington Tea at the M. E. Parsonage on Saturday beginning at 5 p. m. and continuing into the evening.

Mrs. Groome Price, of Baltimore, who is spending sometime with her husband's parents, Mr. and Mrs. Thomas Price, is quite ill.

Capt. J. C. Ashley returned home from the Johns Hopkins Hospital on Saturday last after having being successfully treated for blood poisoning.

The Epworth League was very enjoyable on Sunday evening last. Mrs. Maggie Hyland, the leader, had a splendid programme.

Mr. Charles Colison spent Wednesday and Thursday of last week in Baltimore. While there he purchased a motorcycle. This maker two motorcycles which have been purchased by young men of this community recently.

A fine upright piano was placed in the High School on Friday of last week. This means better music for the school in the morning exercises.

BIRTHDAY PARTY

On Friday, February 7, Mr. Edwin Boulter, of Skinner's Neck, celebrated his 66th birthday by entertaining his many relatives and friends at his home on the Wilkens farm. Ada Watson, and others.

WHAT THEY ARE PAYING FOR TOMATOES.

The American Agriculturisi, one of the leading farm journals of the country, has been conducting an investigation throughout the country as to the the price to be paid for tomatoes by the canners during the coming season. Their investigation has been exhaustive and we give below some results which the journal has gotten from the canners themselves. The local contract figures prevailing for 1913 are:

F. P. C., Fredonia, N. Y., says tomatoes will bring $8.50 and $7 per ton.

F. B. S. Millsboro, Del., says he will pay $8.40 per ton for tomatoes.

H. P. C., Bridgeville, Del., contracts with growers for tomatoes will read $9 and $10 per ton.

W. L. S., Bridgeton, N. J., we are contracting for tomatoes at $10 per ton.

H. B. M., Federalsburg, Md, the general price offered for tomatoes will be $9 per ton.

T. K. L. C., Guilford, Ct., contrac's for tomatoes for 1913 at $10 per ton.

S. C. C., Scottsburg, Ind., we are contracting for tomatoes for 191s at $10 per ton.

Toutville, Va, C. E. L, says canners will pay $10 per ton, or 30 cents per bushel for tomatoes delivered at railroad.

This is bona fide information secured by the American Agriculturist, and it should convince the farmers hereabouts that they should hold out for prevailing prices. We clip this information for the benefit of our growers in Kent, Cecil and Queen Anne's.

MESSRS. E. S. VALLIANT, H. E. Walls, J. H. Newnam and H. V. Gould, of Church Hill, met the members of the Government Geological Survey at the mouth of South East river recently. The object of the survey is to get an appropriation to deepen the channel so as to make it navigable for steamboats as far up at least as Bens Point, which would be a great benefit to that town and community. Congressman Covington and Representative Walker are interested in the project and it is hoped they will be successful.

HOW MRS. BROWN SUFFERED

During Change of Life—How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman.

Iola, Kansas.—"During the Change of Life I was sick for two years. Before I took your medicine I could not bear the weight of my clothes and was bloated very badly. I doctored with three doctors but they did me no good. They said nature must have its way. My sister advised me to take Lydia E. Pinkham's Vegetable Compound and I purchased a bottle. Before it was gone the bloating left me and I was not so sore. I continued taking it until I had taken twelve bottles. Now I am stronger than I have been for years and can do all my work, even the washing. Your medicine is worth its weight in gold. I cannot praise it enough. If more women would take your medicine there would be more healthy women. You may use this letter for the good of others."—Mrs. D. H. BROWN, 809 N. Walnut St., Iola, Kan.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

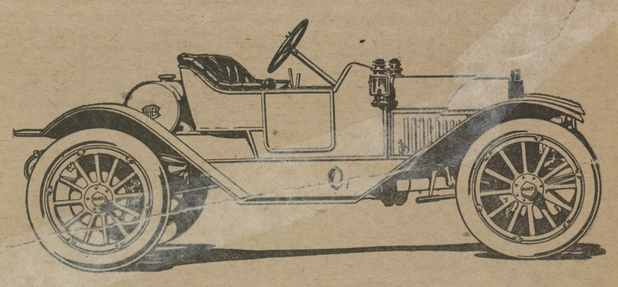
110,000 Buick Users

Every One a Buick Booste



There is a certain prestige that owning your own motor car gives you in your community.

There is a certain satisfaction in knowing you own a car that will take you anywhere and bring you back. It is this quality of dependability which has put 110,000 Buicks on the road, and it is this same quality of dependability which has made every one of those 110,000 Buick users a Buick booster.

The Buick overhead valve motor has more power per cubic inch of piston displacement than any other type of motor ever built. It costs us more to make it but costs you less to run it.
