KENNEDYVILLE NOTES.

Improvement still continues around our Pennsylvania railroad station as only recently three new lamps for lighting up the premises when trains are late coming in, have been erected in line in front of the station platform and walk.

Miss Lulu Covington, formerly of Kent county, but now of Mt. Pleasant, Del., was guest of Miss Lulu Van Dyke from Saturday until Sunday evening.

Miss Eunice Lambert, of Chestertown, and Miss Nellie Jones, of Sassafras, were guests of Miss Mabel Hague on Sunday, and attended service at the M.P.Church Sunday evening.

Mrs. Hayes and daughter, Miss Annie of Galena, mother and sister of Mrs. Joseph Weer, are now on a visit to the home of the latter. Their numerous friends were happy to see them at the services of the M. P. Church Sunday and looking so well. Mrs. Weer, who has been indisposed for sometime, is very much improved.

Mr. Harley Whiteley, son of Mr. and Mrs. Wm. Whitelny, has been quite sick with pneumonia for over a week, but under treatment of Dr. J. W. Urie, is much relieved.

Near a hundred members of Kennedyville Grange were present on Monday evening when eleven candidates, five ladies and six gentlemen, were given the first and second degrees of the order, Mr. G. R. Rasin, worthy master, in charge. Mr. and Mrs. Arthur Harris, of Still Pond Grange were visitors and each one gave an interesting and much enjoyed talk.

The musical programme arranged for the occasion, by worthy Lecturer, Wm M. Clendaniel, Jr., and in charge of Rev. Mr. Clew, was very fine and much enjoyed by the large number present.

Miss Emma Shafer, a member of the order, who recently took the full course in Domestic Science at College Park gave a most interesting report, using the black board for illustrating. The report was not only interesting and entertaining, but exceedingly helpful along the line of food products for the building up of bodily health and strength.

One of the largest grange gatherings ever seen in Weer's Hall took place last Saturday afternoon and evening. Nine candidates received the third and fourth degrees of the order, after which there was rendered under the direction of Worthy Lecturer, Mr. W. M. Clendaniel, Jr., a most entertaining, enjoyable and profitable program. Quite a number of visitors from neighboring granges were present, some of whom gave helpful and encouraging talks. Following the program, a vertible Kent county supper was served, consisting of all the good things of the season, served bountifully and in par excellence style. It was a business and social gathering of high order, with Mr. G. R. Rasin, the popular and efficient worthy master presiding. No further meeting of said grange until Monday evening the 24th.

Mr. Hartley Weer, son of Mr. and Mrs. Joseph Weer, is at this writing sick with pneumonia at Sparrows Point, Baltimore. He was at home to see his parents on Sunday the 9th inst. His mother and sister, Miss Annie, went to see him last week—Miss Annie returned Sunday evening. Hartley's numerous friends sincerely hope he may soon be entirely restored to his good health.

Mr. Isaac Cleaver was taken sick on Sunday evening about nine o'clock, just after he had retired. At this writing he is resting quietly and we hope will soon be much improved. Mrs. Cleaver is somewhat indisposed.

Mr. William Jewell, who for several weeks past suffered greatly from rheumatism, is now much improved and able to be out of doors. He is gradually getting his usual strength.

Mr. and Mrs. Leonard Lane and their two interesting little boys, Kennard and Price, of Burrisville, Md., were guests from the end of the week until Sunday evening of Mr. and Mrs. Leonard Pennington. Mr. Lane used to live in Kennedyville and his friends were pleased to see him again. Mrs. Lane, formerly Miss Price of Queen Anne's used to attend church services on a former charge of Mr. Mullineaux and the latter was delighted to see her in his congregation in company with Mrs. Pennington at the M. P. Church, and her little boys in Sunday School.

Miss Margaret Brinsfield was guest at the home of her uncle and Aunt, Mr. and Mrs. John Medders, over Sunday, and attended service at the M. P. Church Sunday morning. Miss Brinsfield has a large circle of warm friends in the community, having been one of the teachers of the Public schools of the community until recently and all were happy to see her again in Kennedyville.

LAUREL STIRRED BY REVIVALS

So Far Over 300 Residents of That Town Have Joined Church.

Laurel is in the midst of one of, if not the greatest revival in its history, and the wave of religious enthusiasm is not confined to Laurel. It has gone on and out in every direction until practically every Church within a radius of ten miles has felt its effect. There have been more than three hundred coversions in the two Churches there. Up to Thursday night there had been all told more than 760 approximately, accessions to the various churches as follows: Centenary M. E., 125; Christ M. P., 70; Bethel H. E., 90; Shaptown, M. E., and M. P., 300. The two Laurel negro churches 150. Wednesday afternoon the employes of Fooks and Hastings' shirt factory became so enthused that the factory was shut down and prayer meeting was held in the stock room, the Rev. G. C. Williams, the Rev. J. H. Straughn and the Rev. Norman Ward, who is visiting friends there, were called in and took part in the services. There were five conversions at this meeting.

Resolved, that in our sorrow over the departure of our sister, we may yet rejoice in the assurance, that what to us is grievous loss, must be to her eternal gain.

Resolved, that we extend our sympathy to her bereaved family; that the God of all consolation may be their comfort in this dark hour.

A Good Kidney Remedy Is Like a Good Friend

I wish to tell of the wonderful results I have received from your noted Swamp-Root. I am fifty-eight years of age, well and healthy to-day, but there has been a time in my life that I was all run down and worn out. My kidneys were in a very bad condition and I suffered from lame back. I have tried other remedies but never got the results that I have received from Swamp-Root and I honestly believe that I owe my life to Dr. Kilmer's Swamp-Root. I tell others that I could not live without Swamp Root in the house, for when I feel tired and worn out and my back not feeling right, I take Swamp-Root and I am feeling fine in a few days. I heartily recommend Swamp-Root the world over.

Very truly yours,
MRS. W. A. GRIFFIN,
