THE CARNIVAL

On Tuesday, next, the long-anticipated carnival will begin its week of fun. Whatever may be the individual ideas of the plans which have been made for it, it must be generally conceded that the causes which inspired its being, and for which both the Community Club and the Firemen are laboring are of town interest and for town betterment, and as such are worthy of the support of the town in general. The objections which were made to certain features of last year's carnival were not strong enough to prevent the same things appearing this year, and doubtless there are some who will feel that on this account they cannot patronize the event. We hope that these people, who are simply standing for what they consider right principles, and who are so justified, will take into account the purposes of the carnival, and will decide to aid such parts of it as do not conflict with their principles. If they will go so far, it can be made a tremendous success and an aid to the general good feeling of the town.

Elkton, which suffered so disastrously from fire within the past week, secured her equipment through the aid of carnivals, and had it not been for that equipment, the entire town might have fallen prey to the flames before aid could have come from neighboring towns.

The carnival is at our door—let's all do our best to make it a success. Don't forget the dates—July 3 to 10.

THE PENNSYLVANIA'S COME-BACK

Your attention is called to the ad of the Pennsylvania Railroad of this issue, wherein is reprinted an editorial from the Philadelphia Inquirer. It is indeed worthy of attention, where one considers the marvelous "Come Back" of this splendid system after such a catastrophe as befell it in Philadelphia. Those of us who have long used the "Pennsy" cannot help a feeling of pride in the manner in which "our" road has met a crisis. Certainly an increased confidence in the road is noted on every hand.

WILLISTON

Mrs. Gail Cooper, who attended the Women's Conference at the University of Maryland last week, arrived home Tuesday after a visit over Sunday with her parents.

Mrs. Laura French has returned to Philadelphia after spending several months with her daughter, Mrs. F. R. Depew.

Mrs. William D. Uhler with a party of friends will arrive at "Mapledell" this week and spend a month in the country.

Miss Tamar Oberly and Miss Catherine Wilson, of near Philadelphia, are visiting with Mr. and Mrs. C. E. Rice.

Miss Cleone Cooper, Mr. and Mrs. Camper, and Mr. Dell, all of Baltimore, spent the week end with the former's parents, Mr. and Mrs. H. S. Cooper, returning on Sunday, accompanied by Mrs. Cooper.

Mrs. Elizabeth Depew returned to New York Wednesday after a pleasant visit with her son, Mr. F. R. Depew, and his family.
