Of course it is! *Studebaker* wagons are built on honor, with sixty years of wagon-building experience—and with every wagon goes a Studebaker guarantee.

If you want a wagon that will last, run easily and stand up to its work, there is only one wagon to buy—and that's a *Studebaker*.

Don't trade ten extra years of service for a few dollars difference in price.

Mr. and Mrs. Wilbur W. Hubbard gave a brilliant reception and dance after the show, at their magnificent home on Chester river. About two hundred persons were guests at this hospitable colonial home. The large parlors, hall and porches and spacious lawn running down to the moon-lighted historic Chester river with strains of enchanting music floating over the whole and beautiful women and gallant men adding the life to it all was indeed a scene rarely witnessed here and never surpassed anywhere. Mr. and Mrs. W. W. Hubbard with their daughter, Miss Miriam, and son Wilbur, were certainly ideal hosts and made both visitors and home people feel that they were enjoying the proverbial Eastern Shore hospitality. The music was furnished by a Baltimore orchestra and refreshments served during the evening. All left with much reluctance wishing that they might again be guests of Mr. and Mrs. Hubbard at their beautiful home on the Chester river.

THIS WOMAN HAD MUCH PAIN WHEN STANDING

Tells How Lydia E. Pinkham's Vegetable Compound made Her a Well Woman.

Chippewa Falls, Wis.—"I have always had great confidence in Lydia E. Pinkham's Vegetable Compound as I found it very good for organic troubles and recommend it highly. I had displacement, backache and pains when standing on my feet for any length of time, when I began to take the medicine, but I am in fine health now. If I ever have those troubles again I will take Lydia E. Pinkham's Vegetable Compound."—Mrs. ED. FERRON, 816 High St., Chippewa Falls, Wisconsin.

Providence, R. I.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound as it has done wonders for me and I would not be without it. I had organic displacement and bearing down pains and backache and was thoroughly run down when I took Lydia E. Pinkham's Vegetable Compound. It helped me and I am in the best of health at present. I work in a factory all day long besides doing my housework so you can see what it has done for me. I give you permission to publish my name and I speak of your Vegetable Compound to many of my friends."—Mrs. ABRIL LAWSON, 126 Lippitt St., Providence, R. I.
