"Right Posture" Clothes for Boys are made by the Snellenburg Clothing Co., of Philadelphia.

They have an ingenious construction in the shoulders in the shape of a hood or yoke, consisting of an adjustable elastic band which neither binds nor interferes with the free movement of the body and arms.

This band is a reminder to the boy who would stoop.

The coat is beautifully made, with shoulders set well back, which gives the boy a military carriage. It is sewn with silk throughout, with reinforced seams. Stoutly lined trousers and pull proof buttons.

Boys' Suits $2.00 to $10.00
