RYLAND STOMACH VICTIM SAYS THAT FIRST DOSE CONVINCED HIM

F. E. Reeder of Helena Thinks Mayr's Remedy Is Worth Weight in Gold.

F. E. Reeder, of Helena, Md., took Mayr's Wonderful Stomach Remedy for disorders of his digestive tract. He had tried many remedies and was skeptical. The very first dose of this treatment convinced him.

The results were astonishing. Mr. Reeder wrote:

"Your remedy has helped me wonderfully. I have told a lot of people about your medicine and how it has helped me. It is worth its weight in gold. I will never be without it in my home."

Letters like that come by the thousands. This remedy is known everywhere. The first dose convinces—no long treatment. It is a remedy with a wonderful record.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and removes poisonous matter. It brings quick relief to sufferers from stomach, liver and bowel ailments. Many declare it has saved them from dangerous operations; many are sure that it has saved their lives.

Because of the remarkable success of this remedy there are many imitators, so be cautious. Be sure it's MAYR'S. Go to your nearest druggist and ask about the remarkable results it has been accomplishing—or send to Geo. H. Mayr, Mfg. Chemist, 154-156 Whiting St., Chicago, Ill., for free book on stomach ailments and many grateful letters from people who have been restored. Any druggist can tell you its wonderful effects.

MANY HORSES HERE

Radcliffe Park Alive With Horses Now—Getting Ready For the Races.

The directors of the Queen Anne's and Kent Driving Association are busily engaged in perfecting the arrangements for the second annual fair and race meet which is to be held at Radcliffe Park, Chestertown, July 28, 29, 30 and 31. The following race program has been agreed upon:

First Day—2.27 trot, $300; 2.20 pace, $300; 2.30 pace, closed May 1, stake, $500.

Second Day—2.24 trot, $300; 2.15 pace, $300; 2.20 trot, closed May 1, stake, $500.

Third Day—2.16 trot, $300; 2.18 pace, $200; 2.14 pace, closed May 1, stake, $500.

Fourth Day—Three-year-olds, trot or pace, $300; 2.25 pace, $300; 2.30 trot, closed May 1, stake, $500.

Entries close July 21, 12 P. M. Records made that day no bar.

The events are very attractive and will bring a fine class of performers. Chestertown is a member of the Delaware Race Circuit, which comprises Wilmington, Chestertown, Tasley (Va.), Salisbury, Pocomoke City, Cambridge and Easton. The circuit opens and closes at Wilmington, and local horsemen believe that such an arrangement will insure a fine lot of horses for all the fairs in the circuit.

Radcliffe Park already presents a busy scene. Powell Peacock, the Philadelphia trainer, arrived at the track Saturday with a string of 15 horses, including Rowdy Boy, 2.12¼, by Charley Wilkes; Barnetta B., 2.13¾, by Barnett B., 2.06¼; Princess March, 2.14¼, by Prince March, sire of R. T. C., the sensation of the Grand Circuit two years ago; Miss Dewey, by Admiral Dewey, 2.04¾; Judge Bradford, by Bohemian Boy; Admiral Dewey, Jr., by Admiral Dewey, sorrel filly by Nidian; three-year-old stallion, by The Director General; Number Two, by Melodrama Chimes; Barnett B. II., by Barnett B.; Dixy D., by Dicton Russel; June Bug, by Dignus Brook; Fi Fi, by Barnett B., Del Brook, Jr., by Del Brook; Palo Axworthy, 2.22¼, by Axworthy.

Peacock will receive six more promising green trotters and pacers next week, all of which will be put through a course of training on the track during the spring. Peacock will be assisted in his training by M. Tillow, a well-known Delaware trainer. Joseph Rising and Will Smith have been at the track for several weeks. In the Rising stable are Pony Boy, said to be the fastest pacer on the Eastern Shore; Alta Hal, a Grand Circuit prospect, and Cora Hal.

Smith has the Black Pacer Happy J., 2.14, owned by Charles Hall, of Queen Annes county, at the head of his stable. The training camp will be augmented during the week by Trainer George Sutton, with a stable of 15 trotters and pacers. John Mallalieu, who has a promising string; John Welch, Wilbur Gale, of Baltimore. These trainers will put in every good day preparing their horses for the summer campaign, and all will go down the circuit, finishing at Wilmington in September.

GREAT STATE TEMPERANCE CONVENTION FOR MARYLAND

State-Wide And Nation-Wide Prohibition On The Way.

With prohibition advance in Europe the sensation of the hour; with 9 states of this union under statutory prohibiton; with seventeen in which 50% or more of the population is under no license; with thirteen in which 25% is under no license; with only nine license states in the entire union; with base ball men, railroad and other industrial corporations forbidding absolutely the drinking of intoxicants by their employers; with powerful newspapers declaring for prohibition; with great trade organizations asking for national prohibition; with breweries forced out of business by lack of patronage, and with the liquor traffic itself recognizing the imminence of its doom, it is not difficult to interpret the signs of the times as meaning the quick overthrow of the legalized traffic in strong drink throughout the country.

In tune with the purpose of the age, and in harmony with the program for national prohibition the temperance forces of Maryland will unite in a great state wide prohibition Convention to be held in the City of Baltimore on May 13 14-15, 1914. This Convention is called for the purpose of discussing, formulating and setting in motion forces which will secure state wide prohibition for Maryland.

The clock has struck, the time is propitious, the means are at hand, the forces are aligning for the fight and victory is in sight.

The "get together" spirit concreted into resolute and wisely directed along legitimate channels will undoubtedly secure for this state a legislature in 1916 which will not only ratify the proposition for national prohibition, but will also permit the people of Maryland to vote for State-Wide Prohibition.

Speakers of both local and national reputation will be present at this Convention. The various temperance organizations of the State will be fully represented. They are united now as never before, perhaps, in the history of this movement and splendid encouragement is being given to the temperance forces by the crystallization of sentiment throughout the State in the interest of this great moral movement.

West Virginia has voted dry by an unprecedented majority. Virginia will undoubtedly go dry at the election to be held in September next. Delaware is two-thirds dry. Pennsylvania is stirred as never before in the history of the nation. Candidates for public office from all parties are climbing upon the water wagon. Shall Maryland become the dumping ground of every swillery driven from her border states?

From every section of the country comes the triumphant shout, "The Liquor traffic is going!" Maryland must fall into line. This convention will be the opening gun of the great fight in this State.

Remember the dates, May 13, 14, 15, 1914. Plan to be present. Let nothing interfere.

IN MEMORIAM

In sad but loving remembrance of our dear husband and father, JOHN W. ELBURN, who departed this life two years ago to-day. April 11th, 1914.

Oh, how sudden was the summons
When word came that he was dead,
The time was too short to say farewell
To those he loved so well.

Before the night had arrived,
Oh, how sore our hearts had bled,
For he who left us full of life
Was brought home to us dead.

Farewell, dear father, a long farewell,
For us you labored for many years;
You have always striven to do your best,
And now you have gone home to take your rest.

LOVING WIFE AND CHILDREN.
