Suffered Twenty-One Years —Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. Injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefitted me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I once commenced using it. The first bottle did me so much good that I purchased two more bottle. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great mediciue to all suffering humanity. Gratefully yours,

MRS. JOSEPH CONSTANCE,
Rapids Par. Echo, La.

Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.

HARD GAME TO LOSE

Washington Defeated by Maryland Agricultural College by Score of 3 to 0.

TALLY IS MADE LAST 6 SECONDS OF GAME

Washington College minus Sterling and Lickle, their regular tackles, and other members of the team suffering from injuries, played the Farmers from Maryland Agricultural College a wonderful game at Washington College last Friday. Neither side could score up to one minute of the close of the game. At that time everything pointed to a tie game with no score. It was right here that the uncertainty of the game came in when M. A. C clear back nearly to their goal kicked to Washington and the latter's fullback fumbled and a Farmer fell on the ball. A few seconds after a drop kick was sent over the bars by M, A. C. for 3 points. And great was the sorrow of the Washington rooters. Words failed to express their disappointment. Both teams played a great game. For Washington the playing of Frampton, Pearson, Enright, Walton, Davis, Larmore and Duyer and the kicking of Brown stood out prominent.

By winning this game M. A. C. claims the championship of the State.

The game was one of the most stubbornly contested ever seen on the local gridiron From the beginning of the first quarter until the final whistle sounded each team struggled desperately for the honors. The Aggies missed one golden opportunity to score a touchdown when, in the third quarter, they had the ball on Washington's one yard line, but lost it on downs.

Washington, although slightly outweighed, put up a strong game, using the forward pass to advantage on several occasions.

The game opened with Maryland Agricultural College kicking off to Washington. Walton fumbled the kick, but Enright recovered it and ran it back to the 30-yard line. Enright made seven yards around left end and on the next rush the ball was lost to Maryland Agricultural College on a fumble. Unable to gain, the Aggies tried a field goal, but failed. The ball was put in play on Washington's 25-yard line. Washington was unable to gain and Brown punted to Knode, who was downed in his tracks.

Use Their Famous Shift.

The Farmers' famous shift then came into play and 20 yards were gained as a result of three rushes. Here the Aggies fumbled and the ball changed hands. Neither team was able to gain consistently and the ball seesawed back and forth with numerous fumbles and penalties. The quarter ended with the ball in Washington's possession on her own 40-yard line.

The second quarter opened with an incomplete foward pass. Pearson's five-yard gain through the line and another incomplete pass followed. The locals then lost the ball on downs. The Aggies' shift was again used to advantage and with perfect interference the ball was carried well into the locals' territory, but was then lost on downs. Brown punted and after failure to gain through the line the Farmers attempted a forward pass, but it was intrecepted by Biddle. Neither team could do much ground gaining and the half ended with the ball in Washington's possession on the 38 yard line.

The second half began with Brown kicking off to Maryland Agricultural College. With a whirl wind attack the ball was carried up to Washington's five-yard line. Here the locals' defense checked the onrushing Farmers and the ball changed hands, although at one time the ball had been on the one-yard line. Brown punted out of danger. Maryland Agricultuial College was unable to gain and the ball went over. A beautiful forward pass from Enright to Biddle netted 25 yards. Two more were tried, but one was incomplete and the other was intercepted. The quarter ended with the ball in the Farmers' possession on the their own 40-yard line.

The third quarter was replete with all kinds of playing—straight football, forward passes, open plays and fumbles—with neither team being able to get within striking distance of the goal. The last quarter opened with each team determined to win out.

Sparring Match Is Added.

Washington carried the ball down toward the Aggies' goal, only to lose it on downs. Maryland Agricultural Club punted and Brown fumbled the punt, the Farmers regaining possession of the ball. Then the march toward the locals' goal was begun. With the ball on Washington's 25-yard line and less than a minute to play. Mann, of Washington, and one of the Aggies were caught engaged in a sparring match near the side line. The result was that Washington was given a 15-yard penalty and Maryland Agricultural College was allowed to continue her journey to the State Championship.

With six seconds to play Mess booted the ball over for the only score of the game. The Aggies kicked off to Walton, who was downed on his 30-yard line and the game was over.

Carter, Mess and Hindman were the bright lights for the farmers. Both teams showed good form, the interference of the visitors being the best seen here for some time. The line-up:

Washington.	*Position.*	*M. A. C.*
Derringer	Left end	Coggins
