The Epworth League, a grand body of enthusiastic workers for Christ, an asciation that has done so much to elevate the morals of our youth to a higher plane of Christian life and usefulness, with a membership of nearly one hundred, has also come forward with the very neat sum of one hundred dollars (\$100) and "more to follow." We like the sound of this, for with these, "more to follow," and a "Moore" preaching to us, working for us, leading us on and encouraging us, we are going to have no use for that little word "fail."

Let us earnestly pray that God will richly bless us in this our undertaking and as the sound of the trowel and hammer and saw ring out in the air, echoing and re echoing throughout the town, may they be as messengers of love bearing witness to our fidelity to each other as God's children and our loyalty to the Blessed Master and His cause. As the work progresses, may there come to us each an inspiration that we will be able to read God's love in the fitting of every point, and the laying of every timber in the construc-tion of this building, designed to be an humble tribute to Almighty God, who has done so much for us.

Let us constantly invoke the aid of the Holy Spirit that we may continue in the faith until God sees fit to call us | || from these earthly Tabernacles to a | || House not made with hands eternal in the Heavens.
