The New Year

Will it bring you Prosperity and Good Luck or Poverty and Adversity?

We Know This:

That with those who keep a Bank Account prosperity has a better chance.

Why not start a Bank Account with the New Year? Be able, when the year is old, to say, with the prosperous ones: "Financially, the past year has been the best year of my life."

Don't be placed with the "quitter," who complains about "hard times and heavy taxes."

The Kent County Savings Bank

has administered to the wants of its customers through good times and hard times, doing its best always to render substantial and efficient service.

You are invited to associate yourself with us as a depositor, and grow with us.

BANQUET TO MR. TURNER

The Citizens of Betterton Attest Their Appreciation of Him.

The citizens of Betterton, desiring to express their appreciation of his worth and ability, gave a banquet Monday evening in honor of Mr. Howard Turner, a delegate to the Maryland Legislature. The feast, which was served in the famous Chesapeake House style, was enjoyed by more than a hundred persons.

Mr. Reese Young, in behalf of the town people, presented Mr. Turner with a gold-mounted fountain pen, reminding him that "the pen is mightier than the sword," and that with this little weapon the Betterton people expect him to fight great battles for his county and State. Mr. Turner very fittingly replied to this speech, thanking his friends and neighbors for their belief in his character and his principles and assuring them that it would be easier to stand for the right in the legislative halls knowing that he had the moral support of his home people. He surveyed some of the questions which will probably claim the attention of the legislature this winter, and promised, in so far as he is able, to make the session as clean, honest and business-like as possible.

After Mr. Turner's speech had been roundly applauded the guests were entertained by exquisite music played by Mrs. Jones, Miss Tull and Mr. C. W. Gooding, Jr. Then Capt. Harvey Brice proposed the toast, "Our friend, Mr. Turner," which all were delighted to drink. Next on the program was the singing of several popular songs by Mrs. John Owens, Miss Marie Brice, Messrs. Charles Brice, Littleton Crew, George Brice, Raymond Herbert and Ernest Briscoe.

Mr. Harry Willis then spoke about the farming interests and our public schools, of the close relationship existing between them, and the great desire of the Kent farmers that the Kent schools be better fitted to teach farm boys and girls to be better farmers.

The musicians played another selection and then Mr. J. F. Green talked on the national questions—Peace, the Tariff and the Currency.

The guests then departed for home, feeling glad that Mr. Howard Turner is to represent the town of Betterton and Kent county in the Maryland Legislature.

Home Talent Play.—"The Loan of a Lover," a clever Dutch comedy in one act will be given by home talent under the auspices of the Woman's Literary Club in the Opera House Monday and Tuesday evenings, January 19th and 20th. The entertainment will be under the direction of Miss H. Elizabeth Latchum of the Shoemaker School of Elocution in Philadelphia.
