ATTEST:—T. W. RUSSELL,
CLERK TO COUNTY COMMISSIONERS.

According to the director of the physical observatory of St. Petersburg, M. Wild, the coldest inhabited spot on earth is the village of Verkholansk on the Yana river in northeastern Siberia, about 100 miles north of the polar circle in latitude 67 degrees 34 minutes.

Eureka!

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhœa Remedy was recommended to me. I purchased a bottle and received almost immediate relief. I continued to use the medicine and was entirely cured. I take pleasure in recommending this remedy to any person suffering with such a disease, as in my opinion it is the best medicine in existence." 25 and 50 cent bottles for sale by M. A. Toulson, Chestertown, Md; J. P. Ireland, Galena, Md.; Dr. N. Comegys, Millington, Md

OPPOSED TO FROG EATING.—A decree has been issued in Belgium forbidding any Belgian to capture or destroy frogs, to consign them by any conveyance, to expose them for sale, or to buy or sell them, either whole or in part. King Leopold is determed his subjects shall cease to be frog-eaters.

Of Interest to Mothers.

The success of Mrs. Annie M. Beam, of McKeesport, Pennsylvania, in the treatment of diarrhœa in her childien will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Jonstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhœa very badly. I got some of Chamberlain's Colic, Cholera and Diarrhœa Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." 25 and 50 cent bottles for sale by M. A. Toulson, Chestertown, Md.; J. P. Ireland, Galena, Md.; Dr. N. Comegys, Millington, Md.

NEWPORT ON A BREEZELESS DAY.—A cottage by the sea on a hot day, with little wind, and what there is blowing seaward, is the most uncomfortable of habitations. Upon occasions Newport shows up the most intolerable heat to be found in New England.—*Boston Globe.*

Well Known in Texas.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhœa for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhœa Remedy was used, that relieved him at once. For sale by M. A. Toulson, Chestertown, Md, J. P. Ireland, Galena, Md., Dr. N. Comegys, Millington, Md.

NICE SUMMER RESORT.—"I suppose it is quite cool in the Scoth Highlands, even in summer," said a Pittsburger to a friend who had been in Scotland. "Yes," the latter replied, "the hills wear their furze all the time."—*Pittsburg Chronicle.*

Proclamation by the Governor.

STATE OF MARYLAND,
EXECUTIVE DEPARTMENT.

WHEREAS, Section one of Article fourteen of the Constitution of Maryland makes it the duty of the Governor to order the publication in certain newspapers to be designated by him, of any bill, or bills, passed proposing any amendments to the said Constitution; and

WHEREAS, at the January Session, 1892, of the General Assembly of Maryland, a bill was passed proposing an amendment to the Constitution, which amendment is Chapter 313 of the Acts of 1892, and is as follows, to wit:

CHAPTER 313.

AN ACT to add an additional section to Article four of the Constitution of this State.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, Three-fifths of all the members of the two houses concurring, that the following section be, and the same is hereby proposed, as an amendment to the Constitution of this State; and if adopted by the legal and qualified voters thereof, as herein provided, the same shall supercede and stand in the place of Section thirty-nine of Article four of said Constitution.

SEC. 39. The General Assembly shall, as often as it may think the same proper and expedient, provide by law for the election of an additional Judge of the Supreme Bench of Baltimore city, and whenever provision is so made by the General Assembly, there shall be elected by the voters of said city another Judge of the Supreme Bench of Baltimore city, who shall be subject to the same constitutional provisions, hold his office for the same term of years, receive the same compensation, and have the same powers as are, or shall be provided by the Constitution, or laws of this State, for the Judges of said Supreme Bench of Baltimore city, and the General Assembly may provide by laws, or the Supreme Bench by its rules, for requiring causes in any of the courts of Baltimore city to be tried before the Court without a jury, unless the litigants or some one of them shall within such reasonable time or times, as may be prescribed, elect to have their causes tried before a jury. And the General Assembly may reapportion, change or enlarge the jurisdiction of the several courts in said city.

SEC. 2. *And be it further enacted, by the authority aforesaid*, That the foregoing section hereby proposed as an amendment to the Constitution shall be, at the next general election to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection in pursuance of the direction contained in Article fourteen of the Constitution of this State; and at the said general election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter may elect, and immediately after said election due return shall be made to the Governor of the votes for and against said proposed amendment as directed by said fourteenth Article of the Constitution.

Approved April 4th, 1892.

We hereby certify that the aforegoing is a correct copy of an Act of the General Assembly of Maryland, passed January Session, 1892.

W. G. FURNELL,
Secretary of the Senate.
CARLTON SHAFER,
