KING OF MONTENEGRO

Where Shall I Go This Evening?

To The Candy Kitchen

Hot weather has started and the taste for good, cool ice-cream is returning and the only place to get it is at the CANDY KITCHEN.

Our friends have noticed what a nice clean parlor we keep and have favored us all along with an ever-increasing share of their patronage. There is but one reason for this increase. We keep the cleanest, purest cream in town, as well as the best line of purely Home-made Candies.

Everything good to eat can be obtained at our parlors, and there is no better way to spend a few minutes these warm evenings than to come with your friends and hear the good music while you eat. New records every week.

Of course we keep a full line of cigars, cigarettes, and tobacco. We also handle all kinds of fruits in season, and we might remark that nothing but pure fresh fruits go into our ice-cream.

If there is a party, a festival, a picnic, or an excursion—remember that you can get a special discount on cream bought in large quantities. Shipped free over five gallons. This is a saving.

We are always glad to see you and your friends at all times. Come in and spend a while with us. Yours very truly,
